STANDARD FEATURES

Package

- Memory Package
  - Save and recall positions for the driver's seat, adjustable pedals, steering column, and outside rearview mirrors
  - Press the memory button 1 or 2, or use the key fob to return position preferences
- Enhanced Driver Alert Package
  - Low Speed Forward Automatic Braking
  - Forward Collision Alert
  - Lane Keep Assist
  - Safety Alert Seat
  - IntelliBeam® headlamps

* May require other optional equipment

Mechanical

- 5.3L EcoTec3 V8 engine
  - 355 hp @ 5600 rpm
  - 383 lb-ft of torque @ 4100 rpm
  - Aluminum block
  - Active Fuel Management£
  - Direct Injection
  - Variable Valve Timing
- 6-speed automatic transmission
  - Helps provide smooth, effortless automatic shifting
  - Tap-shift capability allows you to switch gears manually
  - Electronically controlled transmission with overdrive and Driver Shift Control
  - Tow/Haul mode reduces shift cycling for better control and improved cooling when towing or hauling heavy loads

- 3.08 rear axle ratio
- Premium Smooth Ride suspension
  - Designed to offer passengers a more comfortable ride by isolating the interior cabin from rough pavement
- Push button start
  - Keep your keys in your purse or pocket to start your vehicle
  - Once you're inside with your foot on the brake, your vehicle starts with the push of a button
  - Press the button again to shut the vehicle off
- Tow/haul mode
  - Located at the end of shift lever
- Locking rear differential
  - Heavy-duty
  - For added traction and better capability, this feature helps your vehicle power through the toughest terrain by keeping the rear wheels moving together
  - When the differential senses a significant difference in wheel speed, it locks to turn both rear wheels in unison for added traction
- Autotrac 4x4 active transfer case
  - Single speed 4WD transfer case
  - The system is designed to detect wheel slippage and transfer torque to the front wheels for enhanced traction
  - As conditions warrant, the vehicle will return automatically to 2WD
  - Manually engage 4WD on a full-time basis
- 150 amp alternator
- 4-wheel drive
- Trailering equipment
  - Hitch platform
  - 7-wire harness with independent fused trailering circuits, mated to a 7-way sealed connector
  - 2" trailering receiver
- External auxiliary transmission oil cooler
  - Heavy-duty air-to-oil cooler
  - Helps prevent transmission overheating
  - Provides optimal transmission performance even when operating under a heavy load or towing a trailer
- External engine oil cooler
  - Helps the engine generate peak performance efficiently
  - Prevents possible engine oil breakdown during high-performance driving or under loads
  - Heavy-duty air-to-oil cooler
- 7,500 lbs. GVWR
  - When properly equipped; includes weight of vehicle, passengers, cargo and equipment.
- Suspension, front coil-over-shock with stabilizer bar
- Suspension, rear multi-link with coil springs
- Steering, power
- Powertrain grade braking
  - Helps reduce braking needs when driving in hilly areas
  - Automatically uses engine torque while driving on descents, helping you maintain your speed
- 4-wheel antilock disc brakes
  - Help reduce wheel lockup and maintain steering control during hard braking on most slippery surfaces
- Single outlet exhaust
  - Aluminized stainless-steel muffler and tailpipe
- Tools, mechanical jack and wheel wrench stored in rear quarter trim

Interior

- 8" diagonal GMC Infotainment System
  - 8" diagonal color multi-color touch-screen
  - Bluetooth[1] streaming audio for music and select phones
  - Voice-activated technology for phone
  - Features Apple CarPlay™ and Android Auto™ capability for compatible phones[2]
  - Customize and manage entertainment and vehicle feature settings through the 8" touch-screen display
  - Use, control and manage select smartphone apps through the Infotainment system

- HD Radio
  - Provides consumers with additional channels known as HD2, HD3 and HD4
  - Transmits Program Service Data, such as song titles and artist information
- 4G Wi-Fi® hotspot
  - A reliable, secure connection to the Internet for up to 7 devices[1]
  - Includes Data Trial for 3 months or 3GB (whichever comes first)

[1] Available Wi-Fi requires compatible mobile device. 4G LTE service available in select markets. Visit onstar.com (http://www.onstar.com) for coverage map, details and system limitations. Data plan provided by AT&T.

- Front perforated leather-appointed bucket seats
  - Perforated leather-appointed heated and ventilated seat cushions
  - 12-way power driver and passenger seat includes 6-way power cushions, driver seat 2-position memory, 4-way power lumbar control and power recline
- Second row 60/40 split-folding bench seats with power release
  - The seat folds and tumbles with the touch of a button
- Third row power-folding 60/40 split-bench seats
  - Split-folding feature allows each side to fold flat independently
  - Press the button to move the bottom cushion forward and down, and then the seatback folds forward
- Heated and ventilated driver and front passenger seats
  - Separate buttons on the climate control panel allow you to choose from 3 levels of warmth or cool
  - The airflow from the ventilated seats helps keep you feeling fresh, relaxed, and alert
- Heated second row seats
  - At the touch of a button you can warm the seat bottoms and seatbacks with multilevel temperature control
- Safety Alert Seat
  - The GM-patented Safety Alert Seat provides the driver the option of getting haptic seat-bottom vibration pulses instead of audible crash avoidance alerts[1]

* May require other optional equipment

[1] Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

- Front floor console
  - Keep valuables and smaller items secure
  - Storage area, cup holders and auxiliary power outlet
  - USB ports[1] and auxiliary jack

[1] Not compatible with all devices.

- Cargo net
  - Secures and organizes smaller items in your cargo area
  - Easy to remove and store when not needed
  - Black envelope-style cargo net
- Floor mats
  - Helps protect your interior from road debris and the elements
  - Engineered to fit your vehicle perfectly
  - Removable color-keyed floor mats for first and second rows
- Floor covering
  - Color-keyed carpeting
- Power tilt and telescopic steering column
  - Adjust the angle and reach of the wheel to suit your comfort and safety
  - Use the driver memory to manually save and recall memory settings for the power tilt and telescoping steering column
- Heated leather-wrapped steering wheel
  - Equipped with conveniently mounted cruise, audio and Driver Information Center controls
- Steering-wheel controls
  - Controls are positioned intuitively to make them convenient and easy to use
  - Leather wrapping provides a touch of luxury as well as a better grip and comfort for the driver

- Allow the driver to easily operate the audio system, phone interface and Driver Information Center controls
- 4.2" multi-color Driver Information Center
  - Provides key vehicle information, such as average vehicle speed, fuel range, average fuel economy, tire pressure, oil life, trip odometer and warnings
- Power windows
  - One-touch Express-Down for all, Express-Up for driver
- Power door locks
  - Programmable
  - Allow you to lock and unlock all doors easily, whether it's from the driver or front passenger seat or from outside using the key fob
  - Lockout protection helps you avoid locking keys in the vehicle
- Keyless Open
  - Locks and unlocks your vehicle's doors without having to use a key or push a button
  - Your vehicle recognizes the individual key fob in your pocket or purse, and opens the doors
- Remote start
  - Allows you to remotely start your vehicle from your key fob
  - Locks doors and turns on parking lamps while the engine is running
  - Activates the climate control system
  - Helps enable a comfortable interior climate upon immediate entering of the vehicle
- Cruise control
  - Maintain a steady speed while driving
  - To enhance your safety, cruise control automatically disengages when the vehicle's traction control system needs to limit wheelspin on slippery surfaces or when the StabiliTrak® stability control system detects an oncoming skid
  - Set and resume speed functions
- Power-adjustable pedals
  - Adjustable accelerator and brake pedals allow the driver to set at the most comfortable position

* May require other optional equipment

- Universal Home Remote
  - Conveniently operate your automatic garage door, open powered gates or turn on home lighting from the safety of your vehicle
  - Includes 3 programmable channels

* May require other optional equipment

- Tri-zone automatic climate control
  - Automatically maintains individual temperatures for the driver, front passenger and rear seat passengers
- Rear window defogger
  - Helps to keep your rear view clear
  - Utilizes a warming grid to remove fog or frost from the rear window
- Theft-deterrent system
  - Helps deter unauthorized entry, helping to protect your vehicle and its contents
  - Immobilizes the engine to help prevent theft
  - Sounds the horn and flashes the turn signals when someone attempts to open the vehicle without the proper key or remote transmitter
- 110-volt power outlet
  - Auxiliary power outlet
  - Can be used to plug in electrical equipment, such as a cell phone or a portable device
  - When not in use, the outlet's protective cover snaps into place
- 12-volt power outlets
  - Outlet in the instrument panel
  - 2 in the console
  - 1 in 3rd row and 1 in cargo area
  - When bench seat is ordered, the outlet on the back of the console is removed

- Inside rearview auto-dimming mirror
  - Automatically adjusts the inside rearview mirror when it senses bright light from behind
  - When headlamp glare is no longer detected, the mirror returns to its normal, clear state

* May require other optional equipment

- Assist handles
  - First row passenger and second row outboard seats
- Interior lighting
  - Dome light
  - Driver- and passenger-side door switch with delayed entry feature
  - Cargo lights, door handle or Remote Keyless Entry-activated illuminated entry
  - Map lights in front and second row seat positions
- Interior lighting
  - Courtesy lighting with theater dimming

- Lighting for front and rear door handles, front and rear passenger footwells and door storage area

- OnStar[5] Guidance Plan with Limited Service Trial
  - Includes Automatic Crash Response, Stolen Vehicle Assistance, Roadside Assistance, Turn-by-Turn Navigation, Advanced Diagnostics and more (trial excludes Hands-Free Calling minutes)[1]

[1] Visit (http://)onstar.com (http://www.onstar.com) for coverage map, details and system limitations. Services may vary by model and conditions.

- OnStar[51] Basic Plan for 5 years Includes limited RemoteLink mobile app services, Advanced Diagnostics and Dealer Maintenance Notification.

[1] Basic Plan available for 5 years from the date of vehicle delivery, and is transferable. Does not include Emergency Security or Navigation services.

Exterior

- 18" bright machined aluminum wheels
  - Paired with 18" all-season blackwall tires
- 18" all-season blackwall tires
  - P265/65R18
- 17" full-size spare wheel
- Spare tire carrier lock
  - Helps keep spare tire secure
  - Utilizes the same key as the door and ignition
- 17" all-season blackwall spare tire
- Roof-mounted luggage rack
  - Includes 2 roof rails that help secure additional cargo to the roof of your vehicle
  - Removable for easy on and easy off
  - Black
  - Denali includes chrome trim
- Active aero shutters
  - Shutters close at higher speeds to help enhance aerodynamics
  - Shutters re-open at lower speeds or when needed to help cool the engine compartment
- Black assist steps with Chrome accent
  - Located on both sides of your vehicle under the front and rear doors
  - Extend from wheel well to wheel well
  - Rugged, slip-resistant tread pads
- Headlamps
  - Dual halogen projector lamps help provide better and more even light distribution for improved visibility
  - Direct light to help improve down-the-road visibility during nighttime driving
- Intellibeam[*] headlamps
  - Automatically dims vehicle headlamps that are in high beam mode when oncoming traffic is detected

[*] May require other optional equipment

- Fog lamps with Chrome surround
  - Help minimize glare and improve visibility in adverse driving conditions
- Outside heated power-adjustable, body-color, manual-folding mirrors with integrated turn signal indicators
  - Power adjustments allow you to move both side mirrors with the touch of a button
  - Both mirrors are heated and are activated when the rear defrost is engaged, helping to clear them of ice, snow and frost to help improve visibility
  - Integrated turn signal indicators help communicate your intentions
  - Manual-folding feature lets you bring the mirrors in closer to the windows for enhanced maneuverability in tight spots
  - Ground illumination lights up a small area around the door
- Acoustic laminated glass
  - Helps keep out traffic and road noises
  - Dampens sounds from the outside to help give you a quiet ride
- Solar-absorbing windshield
  - Helps minimize the effects of solar rays entering the cabin
  - Assists in maintaining a more comfortable interior temperature
- Deep-tinted glass
  - Provides added protection from sun and glare
  - Tint on rear side windows and rear cargo/liftgate windows
- Rainsense™ automatic wipers
  - Turn on automatically when sensors detect moisture on the windshield
  - The intermittent feature adjusts the speed of the wipers to help keep the windshield clear in a variety of conditions with less driver distraction
- Rear wiper
  - Intermittent
  - Variable-speed

- Washer to help keep rear window clear
- When not in use, the wiper is concealed for a seamless appearance

- Hands-Free Power Programmable Liftgate
  - Opens or closes when the system senses the key fob and the driver extends their foot under the center of the rear bumper
  - You can also press the trunk open button on the key fob or use the interior release button
  - Programmable height setting accommodates areas with low ceiling

Safety

- Brakes, 4-wheel antilock, 4-wheel disc
- Low Speed Forward Automatic Braking
  - If the vehicle is traveling at a low speed and the system detects that a front-end collision situation is imminent while following a detected vehicle and the driver has not already applied the brakes, the system automatically applies brakes to help reduce the collision's severity[1]
  - The system may even help avoid the collision at very low speeds

* May require other optional equipment

[1] Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

- Hill Start Assist
  - When you are stopped on an incline, this feature keeps the brakes engaged for a split second as you transition from brake pedal to gas pedal
  - Automatically releases once you press down on the accelerator
- StabiliTrak® electronic stability control system
  - Automatically helps enhance control, particularly during emergency maneuvers, by adjusting the brakes and engine torque to keep you on your intended path
  - Includes Traction Control that detects wheel slippage and applies brake pressure to help the driver maintain control when accelerating on wet or snow-covered roads
  - Includes Brake Assist that senses how hard and fast a driver hits the brake pedal and gives extra braking assistance, if required
- Daytime Running Lamps
  - Illuminated when your vehicle is running and headlamps are off
  - Makes your vehicle more visible to oncoming traffic
  - Can help reduce the risk of collision
  - Includes automatic exterior lamp control
- 7 air bags
  - Front air bags work with the safety belt system to help reduce the risk of injury to the driver and right-front passenger if involved in a moderate to severe frontal impact[1]
  - Front center air bag is designed to inflate in moderate to severe side crashes and rollovers, deploying from the right side of the driver seat for added cushioning and restraint to help protect the driver and front passenger[1]
  - Seat-mounted side-impact driver and front passenger air bags help reduce the risk of injuries for the driver and front seat passenger in side impacts[1]
  - Roof rail-mounted head-curtain air bags help reduce the risk of head and neck injuries to occupants seated in the outboard seating positions in side-impact collisions and rollovers[1]

[1] Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.

- Passenger Sensing System
  - Automatically switches the front passenger seat frontal air bag on or off[1]

[1] Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.

- LATCH system
  - Lower Anchors and Top tether anchors for CHildren system helps make it easier to install and secure a compatible child restraint seat

- Front and Rear Park Assist
  - Below 5 mph (8 km/h), provides distance-to-object alerts to help the driver park[1]
  - Also helps the driver avoid crashing into nearby detected objects directly ahead or behind the vehicle during low-speed maneuvering

[1] Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

- Rear Cross Traffic Alert
  - When in Reverse, provides alerts to help drivers avoid crashing into approaching detected left- or right-cross traffic (e.g., out of a crowded parking space or driveway with side obstructions)[1]

* May require other optional equipment

[1] Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

- Forward Collision Alert
  - If the system detects that a front-end collision situation is imminent while following a detected vehicle, the system alerts the driver to a potential crash[1]
  - It also alerts the driver if the driver is following a detected vehicle much too closely

  * May require other optional equipment

  [1] Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.
- Lane Keep Assist with Lane Departure Warning
- Rear Vision Camera
  - When in Reverse, provides the driver a view of the scene directly behind the vehicle on the Infotainment screen to help the driver park and avoid crashing into nearby objects during low-speed maneuvering[1]

  [1] Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.
- Lane Change Alert with Side Blind Zone Alert
- Teen Driver
  - This configurable feature lets you activate customizable vehicle settings associated with a key fob to help encourage safe driving behavior
  - It can limit certain vehicle features, and automatically turns on certain safety systems if vehicle is equipped
  - An in-vehicle report gives you information on your teen's driving habits and helps you to continue to coach your new driver
- Tire Pressure Monitoring System
  - Monitors the pressure in each tire and alerts you if there is a low-pressure condition in one or more of the tires[1]
  - Properly inflate tires to help optimize your vehicle's ride, handling and efficiency
  - Includes tire fill alert

  [1] Does not monitor spare tire.

Price less cash offers. Tax, title, license and dealer fees extra. Not available with lease, special finance and some other offers. See participating dealer for details.
MSRP excluding installation, taxes and wheel components (if applicable). Dealer prices may vary. Some accessories may require purchase of additional equipment and/or services. See your dealer for details.
‡ MSRP excludes tax, title, license and dealer fees. See dealer for details.
