- c) No answers or interpretation of the bid documents will be made to any bidder orally.
- d) Failure of any bidder to receive any such addendum or interpretation shall not relieve such bidder from any obligation under his bid as submitted. All addenda so issued shall become part of the contract documents.

Bid Acceptance: Bids will be accepted from Indian and Non-Indian bidders. Cherokee Nation reserves the right to reject any and all bids. Cherokee Nation reserves the right to determine if a bid meets stated requirements, and to award a purchase order for the bid that is in the best interest of the Cherokee Nation including but not limited to the total cost and capability of the bidder. Bidders are responsible for any and all costs associated with the preparation and submission of bids. To be considered, bids must be received by the specified date and time; any bid received after stipulated date and time will be returned unopened. No bidder may withdraw their bid within 30 days after proposal due date.

TERO Certification: Indian preference will be given only to bidders who provide proof of current certification from the Cherokee Nation Tribal Employments Office (TERO) located in Tahlequah, Oklahoma, telephone number (918) 453-5000. Proof of TERO certification must accompany and be included in bid submittal.

TERO Requirements: Cherokee Nation TERO Office requirements apply to award of agreement; including fee of ½ of 1% of contract award. Successful bidder must complete required TERO paperwork and pay all applicable fees in accordance with the current Legislative Act for this project. Please contact Cherokee Nation Tribal Employment Rights Office (T.E.R.O.) at (918) 453-5000 with any questions. The successful bidder must have fees and all paperwork submitted to TERO for agreement to be considered fully executed.

Wage Rate Requirements: All laborers and mechanics employed by contractors and subcontractors shall be paid wages at rates not less than those prevailing on projects of character similar in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act.

For this project Wage Rate OK20230067 applies.

Buy American – Recovery Act provisions: The buy American provisions direct that all of the iron, steel, and manufactured goods used in the project are produced or manufactured in the United States for a project for the construction, alteration, maintenance or repair of a public building or public work. This Buy American provision is applicable only to iron, steel, and manufactured good brought to the construction site for incorporation into a public building or public work. Products that do not fit the definition of manufactured goods are not covered.

Laws and Regulations: The bidder's attention is directed to the fact that all applicable State Laws, municipal ordinances, and the rules and regulations of all authorities having

jurisdiction over construction of the project shall apply to the contract throughout, and they will be deemed to be included in the contract the same as though written out in full.

Conflict of Interest and Restrictions: If any contractor, contractor's employee, subcontractor, or any individual working on the proposed contract may have a possible conflict of interest that may affect the objectivity, analysis, and/or performance of the contract, it shall be declared in writing and submitted to Cherokee Acquisition Management (Attn: Janice Vaughan) no later than on or before November 9, 2023 by **5:00 p.m.** The NATION will determine in writing if the conflict is significant and material and if so, may eliminate the contractor from submitting a proposal.

Verbal Instructions: Interested parties shall not initiate or execute any negotiation, decision, or action arising from any verbal discussion with any Cherokee Nation employee. Only written communications from the designated Contact Person at Cherokee Nation may be considered a duly authorized expression on behalf of the NATION regarding this RFP. Additionally, only written communications from interested parties are recognized as duly authorized expressions on behalf of the vendor. The same instructions shall apply to any subsequent award and agreement communications.

Qualifications of Bidder: The NATION may make such investigations as deemed necessary to determine the ability of the bidder to perform the work, and the bidder shall furnish to the NATION all such information and data for this purpose as the NATION may request. The NATION reserves the right to reject any bid if the evidence submitted by, or investigation of, such bidder fails to satisfy the NATION such bidder is properly qualified to carry out the obligations of the contract and to complete the work contemplated therein. Conditional bids will not be accepted.

Subcontracts: The successful bidder is specifically advised that any person, firm, or other party to whom it is proposed to award a subcontract under this contract must also be acceptable to NATION. Any proposed subcontracts must be approved by the NATION, and the TERO office must be consulted prior to subcontractor being on site to ensure all appropriate forms, paperwork, and approvals are in place. Successful bidder will be required to complete the Request for Acceptance of Subcontractor at time of contract signing if subcontractor to be utilized. All sums due to any suppliers or subcontractors must be paid or will be paid within ten (10) days of receipt of any money received from the Cherokee Nation under any executed Agreement.

Method of Award – Lowest Bid That Contains Lowest Most Responsive/Reasonable Offer From Qualified Bidder: After consideration of price and other factors, the project will be awarded to the bidder whose bid is determined to be the lowest most responsive/reasonable offer taking Indian Preference into consideration and in the best interest of the Nation to accept. Award shall be made under unrestricted solicitations to the lowest, most responsive/reasonable bid from a qualified economic enterprise or organization within the maximum total budget price established for the specific project or activity being solicited in accordance with Cherokee Nation Acquisition Management Policy & Procedures. Indian/TERO Preference will be given only to bidders who provide proof of current TERO certification from the Cherokee Nation Tribal Employments Office

(TERO) in accordance with current Cherokee Nation Policy. Proof of TERO certification must accompany and be included in sealed bid submittal.

Debarment, Suspension, Proposed Debarment, and Other Responsibility Matters:

The responding party certifies to the best of its knowledge and belief that the person, the firm, or any of its principals are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency or Indian tribe. The bidder will also certify they have not, within a three-year period preceding this Request for Proposal, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, Local or Tribal) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commissions of embezzlement, theft, forgery, bribery, falsifications or destruction of records, making false statements, and are not presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in this provision. The responding party certifies they have not, within a three-year period preceding this Request for Proposal, had one or more contracts terminated for default by a Federal, State, Local or Tribal agency. The responding party shall provide immediate written notice to the Cherokee Nation if, at any time prior to contract award, the person learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

General Information: Cherokee Nation reserves the right to waive any informalities or to reject any and all bids. Award will be to the lowest most responsible responsive bidder and will be subject to availability of funds. Indian preference will be given to Contractors certified as an Indian-Owned firm by the Cherokee Nation Tribal Employment Rights Office (T.E.R.O.). Proof of certification must accompany all bids. No bidder may withdraw their bid within thirty (30) days after bid opening date.

A prospective contractor seeking to receive Indian Preference under this contract must be certified as an Indian-owned firm by the Cherokee Nation Tribal Employment Rights Office (TERO) and submit proof of that certification with their bid.

Drug Free Workplace and Tobacco Free Workplace: Any Contractor performing work for the Cherokee Nation agrees to publish a statement notifying all employees, subcontractors, and other workers that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the Contractor's workplace and specifying the actions that will be taken against violators of such prohibition. The NATION will consider lack of enforcement or lax enforcement of the statement by Contractor a default of the contract. The Contractor further agrees to provide all persons engaged in performance of the contract with a copy of the statement. A copy of bidder's Drug Free Workplace statement shall be included with the proposal or else the successful bidder will be deemed to accept and agree to use the statement provided by NATION. The Contractor understands and recognizes that all Cherokee Nation buildings, whether leased or owned, and the grounds surrounding those facilities are considered by the Nation to be

a tobacco free workplace. The Contractor will ensure all employees, subcontractors, and other workers will abide by this policy.

Contractor's Insurance Requirements: Before performing contractual services on the behalf of or for the Cherokee Nation, compliance with the following insurance requirements must be verified:

** Provide an original Certificate of insurance naming the Cherokee Nation as a certificate holder and additional insured with respect to general liability, automobile liability, and builders risk policies, as their interest may appear with respect to the operations defined in this bid packet. The certificate shall reflect that coverage has been placed with an AM Best Rated Carrier of at least A IX and will contain the following information for each required coverage:

- 1) Type of insurance
- 2) Policy number
- 3) Effective date
- 4) Expiration date
- 5) Limits of Liability (this amount is usually stated in thousands)

Keys Marshal Service Access Control

This project is to install Access Control on exterior door entrances and interior breezeway doors. Pictures are included of the doors. All vendors bidding may come out to the location to do a walkthrough before bidding.

Project scope statement

Objective of this project is to provide and install:

1. Card readers.
2. Remote unlock buttons.
3. Axis Door station camera\doorbell.
4. Electrified latches, electrified cylinder locks, surface mounted electric strike.
5. Motion detector.
6. Access Control Cabinet with controllers and power supplies with backup batteries.
7. Door Sensor.
8. Wire door loops
9. All other cabling and hardware related to installation.

Deliverables

1. First set of entry double doors to have a video doorbell, remote unlock switch at the reception desk, card reader, door sensors, (for each door set), power transfer loop and electrified latch for employees.
2. Second set of entry double doors to have a remote unlock switch at the reception desk, (separate from first doors), card reader, door sensors (for each door set), power transfer loop and electrified latch for employees.
3. Door to right from lobby area to have card reader, door sensor, electrified cylinder, power transfer loop and motion detector for employees.
4. Door to left from lobby area to have card reader, door sensor, electrified cylinder, power transfer loop and motion detector for employees.
5. Side exit door on south side of building to have card reader, door sensor, surface mounted electric strike for employees.
6. The cabinet will be installed toward back of building in the old drive thru teller area, near high wall plug.

Constraints

This project needs to be completed by November 30th, 2023. This location is available between 8am and 5PM, there will be employees in the building working during installation. After hours work will be allowed.

In scope

This project will consist of installing electrified lock cylinders and latches on 5 doors. Two are exterior doors and three interior doors.

1. The front main doors to the building are on an ADA door opener, which opens both the exterior doors and the interior doors in the breezeway.
 - a. We will need the interior doors disconnected from the ADA door openers switches so that it remains locked so that no access is granted into the main lobby area when the door is triggered to open from the outside door opener switch. The ADA door openers will need to have a pair pulled to the controllers.
 - b. The inside of both front doors (interior and exterior breezeway) will need electrified latches with push paddles that can always unlock the doors and allow egress. These are the doors on the right side, looking at the building from the outside. The doors on the left side will not get locks.
 - c. All four front doors will have a normally closed switch. The door sensors with each set in series, (left and right door = one set).
 - d. The Axis Video Door bell will be mounted to the outside pedestal on top, (will require a plate attached to the top) with the door assist button moved to the right (facing the parking lot) and the card reader in its place. All cables will be pulled to the controllers and the video doorbell to the patch panel.
 - e. There will need to be two unlock buttons at the lobby desk in order to be able to unlock the front main doors. One button will unlock the external door and one button will unlock the internal door of the vestibule into the main lobby. This cable will be ran to the controllers.
2. The two interior doors are in the main lobby area that allow access to the offices, both of these doors will need electrified cylinders, door sensors and motion detectors on the insides.
3. The other exterior door is on the south side of the building. This door will get a surface mounted electric strike compatible with the existing push bar, door sensor and motion detector.
4. The Control cabinet will consist of:
 - a. Life Safety Power cabinet, p/n FPO150/250-3D8P2M8NL4E6M1/T16-A.
 - b. Genetec Synergis CloudLink with 2GB of Ram and 16GB of Flash, p/n SY-Cloudlink
 - c. Mercury Intelligent Controller, p/n SY-LP4502
 - d. Mercury MR52 dual reader panel, p/n SY-MR52-S3

- e. HID Signo Card Reader, p/n SY20TKS-00-000000.
 - f. Batteries 12V 7AH, Qty-4, (i.e., Enersys NP7-12)
5. Licensing and Advantage for 3 years prorated for the card readers and the video doorbell using System ID GSC-170727-806178, Company Name: Cherokee Nation (Tribal Government) (Tahlequah)

Out of scope

The access control, locks, and hardware accessories in the scope of work shall be compatible with Genetec. CNIT Security Group will do the programming and configuration within Genetec. CNIT Security Group will work with the installer on operational function of the doors.
