

Hard Rock Hotel & Casino New Year's Eve Celebration

- Eight (8) nets filled with balloons will be placed in a pattern that follows the ceiling in Hard Rock Live. If a survey of the room is required, a pre-bid meeting will take place. Information about the pre-bid is provided in the bid details.
- Custom imprinted and plain balloons in multiple sizes (colors below) will be dropped from the eight nets position throughout the venue.
- Setup starts December 30th with the inflation of balloons. Nets will be hung in the venue on December 30th or the morning of December 31st with work being completed by noon (12pm). Complete timeline of setup will be agreed upon by the Hard Rock point of contact and awarded vendor.
- Awarded vendor will need to supply staff to execute the balloon drop. The selected staff members must be onsite by 11pm on December 31st.

Colors: Icy Blue, Hot Pink, Chartreuse, Purple, and Black
