

SCOPE OF WORK

Cherokee Nation Entertainment is soliciting bids from qualified tree removal or landscape firms to remove and dispose of all Bradford Pear trees on its properties. The work consists of the following:

1. Cutting the Bradford Pear tree(s) off flush with the ground and applying herbicide around the base to kill the root ball.
2. Remove the Bradford Pear tree(s) from property.
3. Dispose of Bradford Pear tree(s) in a legal manner at a registered landfill accepting Bradford Pear trees for disposal.

Bidder shall bid each property as though it is a stand-alone, with no guarantee of being awarded all properties. Owner reserves the right to utilize multiple bidders. Owner further requests bidder to provide a singular bid to perform the work at all listed properties below. It is incumbent on each bidder to schedule a site visit to understand any challenges presented on a site, such as heavy woods, water, or other.
