Request for Proposal

Introduction:

The Housing Authority of the Cherokee Nation (HACN) was created in 1966 to provide decent, safe, and sanitary housing within the Cherokee Nation. Today, HACN continues that original mission of providing housing assistance through several diverse programs (www.hacn.org).

HACN is an entity of the Cherokee Nation and functions independently from the Cherokee Nation federal government. HACN operates on a separate infrastructure in all aspects. HACN has approximately 250 staff and covers the same 14-county reservation area of the Cherokee Nation in Northeastern Oklahoma.

The HACN-IT department mission is to deliver the best and most reliable, innovative, yet cost-effective technology solutions to help our HACN staff to efficiently improve productivity, accuracy, and data integrity, so they in turn can provide effective and quality services for the individuals, families, and communities they serve.
