1	1. Greasy Cherokee Language Immersion School	Poly G7500 4k Base Unit Codec: G7500 UHD 4k video codec and Wireless Presentation System, BT remote, Cable: 1 CAT 5E LAN 3.6m. Power: Amer - Type B, NEMA 5-15. Maintenance Contract Required	2
2	1. Greasy Cherokee Language Immersion School	Wall Mount for Poly G7500	2
3	1. Greasy Cherokee Language Immersion School	Onsite installation and configuration of G7500	2
4	1. Greasy Cherokee Language Immersion School	3 Year G7500 Codec Portal Bridge License; includes 3 year Zoom Education License Zoom Room and RISE Portal Software License	2
5	1. Greasy Cherokee Language Immersion School	Total Care, Three Year Warranty Maintenance, G7500, Codec Only	2
6	1. Greasy Cherokee Language Immersion School	G7500 Software License configuration with Bridge	2
7	1. Greasy Cherokee Language Immersion School	Poly Touch TC8	2
8	1. Greasy Cherokee Language Immersion School	PoE Injector for TC8	2
9	1. Greasy Cherokee Language Immersion School	Onsite Installation and Configuration of TC8. Includes configuration with G7500	2
10	1. Greasy Cherokee Language Immersion School	Cat6A Ethernet Patch Cable - Snagless RJ45, Stranded, 550MHz, STP, Pure Bare Copper Wire, 10G, 26AWG, 50ft, Black	2
11	1. Greasy Cherokee Language Immersion School	Cat6A Ethernet Patch Cable - Snagless RJ45, Stranded, 550MHz, STP, Pure Bare Copper Wire, 10G, 26AWG, 7ft, White	2
12	1. Greasy Cherokee Language Immersion School	Cat6A Ethernet Patch Cable - ZEROboot RJ45, Stranded, 550MHz, STP, Pure Bare Copper Wire, 10G, 26AWG, 3ft, Blue	2
13	1. Greasy Cherokee Language Immersion School	Installation of CAT6A, 10M USB 3.1 and UniKat Ethernet Cables	2
14	1. Greasy Cherokee Language Immersion School	Poly CBL, USB 3.1 Fiber Optic, Type A to Type C, 10M	2
15	1. Greasy Cherokee Language Immersion School	Kramer C-HM/HM-3' High Speed HDMI Cable	6
16	1. Greasy Cherokee Language Immersion School	Kramer C-HM/HM-6' High Speed HDMI Cable	4
17	1. Greasy Cherokee Language Immersion School	Poly Ceiling IP Microphone Array	4
18	1. Greasy Cherokee Language Immersion School	Onsite installation of Ceiling Microphone arrays	4
19	1. Greasy Cherokee Language Immersion School	Poly Studio E70 Camera	4

20	1. Greasy Cherokee Language Immersion School	Total Care, Poly E70 3 Year Support Warranty Maintenance	4
21	1. Greasy Cherokee Language Immersion School	Onsite Installation of Poly Studio E70 Cameras	4
22	1. Greasy Cherokee Language Immersion School	8-port Multi-Gigabit (2.5G) Ultra60 PoE++ Ethernet Unmanaged Switch	2
23	1. Greasy Cherokee Language Immersion School	KRAMER ELECTRONICS : VM-4HDT is a high-quality, long-reach 4K@60Hz (4:2:0) HDBaseT extender distributor that takes one HDMI input, with IR and RS-232 control signals, converts them to HDBaseT extension line signal and distributes it to four HDBaseT outputs that connect to compatible HDBaseT receivers.	2
24	1. Greasy Cherokee Language Immersion School	KRAMER ELECTRONICS : The TP-580R is a 4K UHD, twisted pair receiver for HDMI, bidirectional RS-232 and IR signals. It supports resolutions up to 4K@60 UHD (4:2:0).	4
25	1. Greasy Cherokee Language Immersion School	KRAMER ELECTRONICS : PT-871/2xr-KIT is a high-performance, long-reach DGKat 2.0 extender kit for 4K@60Hz (4:4:4) HDR HDMI 2.0 and HDCP 2.2 signals and 2-way powering over twisted pair. The PT-871xr transmitter converts all input signals into the DGKat 2.0 signal.	2
26	1. Greasy Cherokee Language Immersion School	Onsite Installation of Kramer VM-4HDT TP580R	2
27	1. Greasy Cherokee Language Immersion School	Four-Pair CAT6A U/FTP 4x2x23AWG Cable 6'	2
28	1. Greasy Cherokee Language Immersion School	Four-Pair CAT6A U/FTP 4x2x23AWG Cable 15'	2
29	1. Greasy Cherokee Language Immersion School	3.5MM M2M Gold Plated audio cable 10'	2
30	1. Greasy Cherokee Language Immersion School	Four-Pair CAT6A U/FTP 4x2x23AWG Cable 50'	2
31	1. Greasy Cherokee Language Immersion School	Chief Fusion Micro- Wall Mount for displays	6
32	1. Greasy Cherokee Language Immersion School	75" Sharp Interactive Monitor	2
33	1. Greasy Cherokee Language Immersion School	LG - 75" Class Monitor	4
34	1. Greasy Cherokee Language Immersion School	Monitor Installation	6
35	1. Greasy Cherokee Language Immersion School	Sewell 15 ft. HDMI Cable	2
36	1. Greasy Cherokee Language Immersion School	Drop Ceiling Camera Pole and Shelf Installation	2
37	1. Greasy Cherokee Language Immersion School	Universal Round Mounting Plate for Telescoping Camera Poles	2
38	1. Greasy Cherokee Language Immersion School	Suspended Ceiling Tile Mount for Telescoping Camera Poles (Tile Only)	2
39	1. Greasy Cherokee Language Immersion School	3' Telescoping Ceiling Mount Camera Pole	2
40	1. Greasy Cherokee Language Immersion School	Wall Plates, Brush Plates and Wall Track includes installation	12
41	1. Greasy Cherokee Language Immersion School	9' 8 port surge projector	3

42	1. Greasy Cherokee Language Immersion School	Vizio Soundbar M-Series 2.1 Channel	2
43	1. Greasy Cherokee Language Immersion School	Teacher Training: Two training sessions of up to 5 individuals per installed room system. Technical Button Pushing training consists of extensive training on using the equipment so teachers leave confident in running the equipment. Teacher Training is an introductory training on teaching a distance learning class that covers different types of distance learning, expectations and etiquette, building a blended classroom, ensuring a positive class for all students, and strategies to put it all together.	1

NETWORK: Access and host online portal that allows communication between Cherokee Nation and its partnering districts. The portal will need to allow Cherokee Nation to post language courses, cultural classes, professional development/training, and communicate news with all project partners. Partnering districts will also need to be able to post course needs and course offerings to establish course sharing partnerships. Cherokee Nation will also need to be able to share instructional resources with teachers who wish to enhance their curriculum.
