

Cherokee Nation Career Services is requesting a **sealed bid** for the purchase and installation of cubicle office walls and doors. Details are as follows:

Project Details:

- **Quantity:** (21) offices measuring approximately **10 ft x 10 ft x 8 ft** each.
 - Walls may be **glass, paneled, or a combination of both**.
 - If paneled, fabric panels are preferred with multiple colors to select from
 - Measurements are approximate; some panels may measure 9.5 ft wide.
- **Enclosure Requirements: (of the 21 offices)**
 - Three (3) offices will be fully enclosed.
 - One (1) office will require two sides, including one side with a door.
- **Sound Barrier:** Walls should provide moderate sound insulation to ensure privacy.
- **Doors:** Each office should include a lockable door.
- **Delivery and Installation:**
 - Both delivery and installation should be included in the quote.
 - Delivery may occur prior to the completion of permanent wall construction; installation will follow immediately after, based on the current construction timeline.
- **Renderings:** Renderings of the proposed office layout are attached for reference. Also are a few pictures of what we are looking for.
