

QUESTIONS FOR RFP -INTEROPERABLE COMMUNICATIONS
EQUIPMENT

1. Can you tell us what frequency bands you need included with this multiband radio? The radio is cable of VHF, UHF, 800MHz. **800MHZ AND VHF**
2. Can you specify the type of encryption(s) needed? **AES ENCRYPTION**
3. Do you want the vendor to include programming costs? **YES**
4. Do you want the vendor to include programming cables and/or programming software? **YES, IF APPLICABLE**
5. Regarding the bid reference you mentioned for interoperable communications equipment, we are working to prepare an accurate quote. To proceed could you please provide the following information.
 - UHG or VHF -**VHF**
 - For the digital part, do you know DMR or NXDN? **DMR**
 - Radio wattage? **5 WATT**
 - Is Bluetooth really needed? **IN OUR OPINION BLUETOOTH ISN'T REALLY NEEDED. IF YOU'RE THAT CLOSE, YOU PROBABLY DON'T NEED A RADIO.**
