## REQUEST FOR BIDS

**CLASSROOM FURNITURE #4  
SALLISAW CHILD DEVELOPMENT CENTER**

**Bid Due Date: January 14, 2026**

**CHEROKEE NATION**  
P.O. Box 948  
Tahlequah, OK 74465  
(918) 453-5000

**CHEROKEE NATION  
BID REQUEST  
Classroom Furniture**

The Cherokee Nation is accepting bids from interested parties for Classroom Furniture #4 for the Child Development Center located in Sallisaw, Oklahoma. Interested parties are to provide a bid to furnish product equal to or better than the specifications provided. Interested bidders must follow all directions outlined in this bid packet including the utilization of mandatory bid response sheet to be considered fully responsive.

The lowest most responsive, responsible bid will be the determining factor in awarding this bid taking Indian Preference in accordance with Cherokee Nation Policy and Procedures. The successful bidder will be issued a purchase order incorporating the bid response.

**Bids are due January 14, 2026 by 5:00 p.m.**

**MANDATORY SUBMITTAL INFORMATION:** Bid submittal requirements must be followed. Each bid must be submitted on the prescribed, required form with all areas completed. Bids may be or e-mailed to [janice-vaughan@cherokee.org](mailto:janice-vaughan@cherokee.org). It is the bidder's responsibility to ensure delivery of bid by January 14, 2026 by 5:00 p.m. Any bids received after the designated date and time will be ineligible for award.

**Bid Acceptance:** Bids will be accepted from Indian and Non-Indian bidders. Cherokee Nation reserves the right to reject any and all bids. Cherokee Nation reserves the right to determine if a bid meets stated requirements, and to award a purchase order for the bid that is in the best interest of the Cherokee Nation including but not limited to the total cost and capability of the bidder. Bidders are responsible for any and all costs associated with the preparation and submission of bids. To be considered, bids must be received by the specified date and time; any bid received after stipulated date and time will be returned unopened. No bidder may withdraw their bid within 30 days after proposal due date.

**TERO Certification:** Indian preference will be given only to bidders who provide proof of current certification from the Cherokee Nation Tribal Employment Office (TERO) located in Tahlequah, Oklahoma, telephone number (918) 453-5000. Proof of TERO certification must accompany and be included in bid submittal.

**Conflict of Interest and Restrictions:** If any contractor, contractor's employee, subcontractor, or any individual working on the proposed contract may have a possible conflict of interest that may affect the objectivity, analysis, and/or performance of the contract, it shall be declared in writing and submitted to Cherokee Purchasing Department (Attn: Janice Vaughan) no later than on or before January 14, 2026 **by 5:00 p.m.** The NATION will determine in writing if the conflict is significant and material and if so, may eliminate the contractor from submitting a proposal.

**Verbal Instructions:** Interested parties shall not initiate or execute any negotiation, decision, or action arising from any verbal discussion with any Cherokee Nation employee. Only written communications from the designated Contact Person at Cherokee Nation may be considered a duly authorized expression on behalf of the NATION regarding this RFP. Additionally, only written communications from interested parties are recognized as duly authorized expressions on behalf of the vendor. The same instructions shall apply to any subsequent award and agreement communications.

**Qualifications of Bidder:** The NATION may make such investigations as deemed necessary to determine the ability of the bidder to perform the work, and the bidder shall furnish to the NATION all such information and data for this purpose as the NATION may request. The NATION reserves the right to reject any bid if the evidence submitted by, or investigation of, such bidder fails to satisfy the NATION such bidder is properly qualified to carry out the obligations of the contract and to complete the work contemplated therein. Conditional bids will not be accepted.

**Buy American – Recovery Act provisions:** The buy American provisions direct that all of the iron, steel, and manufactured goods used in the project are produced or manufactured in the United States for a project for the construction, alteration, maintenance or repair of a public building or public work. This Buy American provision is applicable only to iron, steel, and manufactured good brought to the construction site for incorporation into a public building or public work. Products that do not fit the definition of manufactured goods are not covered.

**Method of Award – Lowest Bid That Contains Lowest Most Responsive/Reasonable Offer From Qualified Bidder:** After consideration of price and other factors, the purchase order will be awarded to the bidder whose bid is determined to be the lowest most responsive/reasonable offer taking Indian Preference into consideration and in the best interest of the Nation to accept. Award shall be to the lowest, most responsive/reasonable bid in accordance with Cherokee Nation Policy and Procedures. Indian/TERO Preference will be given only to bidders who provide proof of current TERO certification from the Cherokee Nation Tribal Employments Office (TERO) in accordance with current Cherokee Nation Policy. Proof of TERO certification must accompany and be included in bid submittal.

**Debarment, Suspension, Proposed Debarment, and Other Responsibility Matters:** The responding party certifies to the best of its knowledge and belief that the person, the firm, or any of its principals are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency or Indian tribe. The bidder will also certify they have not, within a three-year period preceding this Request for Proposal, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, Local or Tribal) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commissions of embezzlement, theft, forgery, bribery, falsifications or destruction of records, making false statements, and are not presently indicted for, or

otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in this provision. The responding party certifies they have not, within a three-year period preceding this Request for Proposal, had one or more contracts terminated for default by a Federal, State, Local or Tribal agency. The responding party shall provide immediate written notice to the Cherokee Nation if, at any time prior to contract award, the person learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

**General Information:** Cherokee Nation reserves the right to waive any informalities or to reject any and all bids. Award of purchase order will be to the lowest most responsible responsive bidder and will be subject to availability of funds. All sums due to any suppliers utilized by successful bidders must be paid or will be paid within ten (10) days of receipt of any money received from the Cherokee Nation under any purchase order. Indian preference will be given to Contractors certified as an Indian-Owned firm by the Cherokee Nation Tribal Employment Rights Office (T.E.R.O.). Proof of certification must accompany all bids. No bidder may withdraw their bid within thirty (30) days after bid opening date.

A prospective contractor seeking to receive Indian Preference under this contract must be certified as an Indian-owned firm by the Cherokee Nation Tribal Employment Rights Office (TERO) and submit proof of that certification with their bid.

Item	Quantity	Description
	1	<p>The Large Suspension Steel Swing Frame is a durable and versatile tool designed for therapists and parents to provide sensory integration, vestibular, and neuro-developmental therapy. Built to support children with ADHD, Autism, and Sensory Processing Disorders, this sturdy swing frame is perfect for therapeutic use at home or in clinical settings. Its safe and comfortable design ensures every swing session is both effective and enjoyable.</p>
	1	<p>The Sling Swing with Plastic Balls offers a playful and therapeutic experience for sensory-seeking children. Combining the calming effects of a sling swing with the tactile stimulation of 260 colorful balls, this swing enhances proprioception, body awareness, and sensory regulation. Perfect for sensory rooms or compact spaces, it helps children improve balance, and coordination, and feel more centered.</p>

	1	<p>The 3ft Sensory Curved LED Bubble Wall with Black Frame provides a calming and engaging experience for children. Flowing beads move gently within the panel, creating a soothing visual effect, while soft LED lights change colors to enhance relaxation. The curved design adds depth, and the black frame offers a modern touch. Ideal for sensory rooms, schools, or therapy spaces, this wall-mounted panel encourages focus and a sense of calm in a quiet, engaging way.</p>
	1	<p>This wall-mounted 3-ft Bubble Wall with Lights and Changing Colors enhances the ambiance of sensory rooms, bedrooms, or play spaces, creating a peaceful and calming environment. Its gentle bubbles and shifting colors stimulate visual and auditory senses, supporting children's sensory development. Designed to encourage relaxation and emotional regulation, it promotes a calm state of mind while enhancing mood. A thoughtful addition to any sensory-friendly space, it invites moments of tranquility and exploration.</p>

	1	<p>The 5ft Bubble Tube with Mirror and Reflective Corner Base is a sensory must-have for kids. Filled with floating fake fishes, it creates a magical underwater effect. The gentle bubbles and changing LED colors provide a calming and visually engaging experience, while the mirror amplifies the fun. Ideal for sensory rooms, play areas, or therapy spaces, this bubble tube promotes relaxation, focus, and developmental growth in an easy-to-use, water-filled design.</p>
	1	<p>UV Liquid Floor Tiles 4 Pack is ideal for sensory rooms, schools, playgroups, and home environments. Each tile responds to touch and movement, paired with vibrant UV-reactive colors that come alive under UV light. These tiles encourage sensory exploration, visual engagement, and tactile interaction, supporting children's development in a creative and calming way. Perfect for promoting focus, coordination, and imaginative play, they add a captivating and interactive element to any sensory-friendly space.</p>

	1	<p><b>Foam Wooden Beam Building Blocks</b></p> <p>The Foam Wooden Beam Building Blocks provide a fun and safe way for children to explore creativity and sensory development. These lightweight, foam-covered beams are easy for little hands to stack and arrange, encouraging imaginative play. As children build, they enhance their fine motor skills, spatial awareness, and problem-solving abilities. The combination of soft foam and the structured design helps improve hand-eye coordination while supporting sensory exploration and fostering creative thinking through hands-on, interactive play.</p> <p>24 piece</p>
	1	<p><b>Soft Play Traffic Light</b></p> <p>This Soft Play Traffic Light inspires children to engage in role-playing activities, helping them understand real-world scenarios in a safe and fun way. It can be used to learn traffic rules or simply as a fun way to explore colors and sequences. Perfect for sensory development, this soft and durable toy encourages color recognition, sequencing, and interactive play. Ideal for sensory rooms or play areas, it offers children an engaging way to learn</p>

		through imaginative play and exploration.
	1	<p><b>Hand Puppet Set with Storage Bag</b></p> <p>The Hand Puppet Set with Storage Bag is a gentle way to support storytelling, role-playing, and emotional expression. It encourages communication development and social interaction while fostering bonding between children, caregivers, and peers. With a variety of soft puppets that are easy for little hands to use, this set helps children explore creativity and build connections. The included storage bag keeps everything neatly organized, making it a thoughtful addition to playrooms or classrooms.</p>
	1	<p><b>Sensory Wall Mirror w/Butterfly and Flower Decor Set</b></p> <p>Brighten up any sensory room, nursery, or classroom with this delightful wall-mounted mirror decorated with colorful flower and butterfly motifs. Designed to engage young children through visual exploration and imaginative play, this sensory mirror helps develop self-recognition and spatial awareness. The friendly, nature-themed frame adds warmth and charm, encouraging positive interaction and</p>

		<p>curiosity. Its sturdy design and cheerful look make it both a functional and decorative piece perfect for early childhood environments.</p>
		<p>3-yellow padding pencils 2-orange padding pencils 2-red padding pencils 2-green padding pencils 2-blue padding pencils 3-purple padding pencils</p> <p>Wall Padding - Colored Pencils adds a creative and colorful touch to children's sensory spaces while ensuring safety and comfort. Designed to resemble vibrant colored pencils, these childproof and fire-resistant panels are made from durable vegan leather. Perfect for sensory rooms, play areas, or classrooms, they provide a secure surface for active play while sparking imagination and creativity. The unique design enhances the room's aesthetic, creating an engaging environment that supports sensory development and exploration.</p>
		<p>1</p> <p>The Car Soft Play Rocker combines a charming design with tactile allure and rhythmic motion, offering a sensory-rich experience for children. As they rock back and forth, it helps develop balance, coordination, and motor skills. The playful car shape sparks the imagination, encouraging creative play while providing soothing sensory input. Ideal for</p>

		<p>sensory rooms or play areas, this rocker supports both physical development and imaginative exploration in a fun, safe environment.</p>
	1	<p>The Motorcycle Soft Play Rocker brings excitement and sensory engagement to playtime with its fun, dynamic design. As children rock back and forth, it helps enhance balance, coordination, and motor skills while providing soothing sensory input. The playful motorcycle shape sparks imaginative play, encouraging creativity and role-playing. Ideal for sensory rooms or play areas, this rocker combines physical activity with a sensory-rich experience, making it a great addition to support both motor development and imaginative exploration</p>
	1	<p>The Obstacle Course Foam Set is designed to enhance sensory development through movement and exploration. Its modular pieces allow for endless configurations, encouraging children to engage with their environment in new ways. As they navigate the course, children practice motor skills, balance, and coordination, while also</p>

		<p>strengthening problem-solving abilities. The soft foam offers a safe, tactile experience, promoting sensory integration and supporting both physical and cognitive growth in a fun, interactive way.</p>
	2	<p>The Big Green Beanbag Cushion is ideal for sensory exploration, relaxation, reading, or simply comfortable lounging. Its soft and spacious design makes it suitable for homes, classrooms, sensory rooms, or therapy spaces. The vibrant green color adds a cheerful touch to any environment, fostering a sense of calm and joy for children. It can be used for quiet moments or sensory activities, it provides a cozy and supportive space where children can feel at ease.</p>
	2	<p>The Pop Up Tunnel with 5 Colored Holes is a fun and interactive play tunnel that keeps children moving and thinking. It comes with five colorful holes and matching balls, letting children crawl through, push the balls out, or match them to the right colors. It's a great way to build coordination, balance, and color recognition while having tons of fun. Lightweight and easy to pop up or fold away, it's perfect for any play space.</p>

	3	<p>This prehistoric pal is ready for a bouncing good time! With a safe, low-to-the-ground design and easy-grip ears, the adorable dino makes it fun for tots to build muscles, balance and confidence as they hop and bounce along. Dino measures 22 1/2" in length, holds up to 110 pounds and includes a pump for inflation.</p>
	1 set	<p>Children get a variety of sensory experiences as they roll, toss and bounce our see-through activity balls! All 4 balls are filled with objects of different colors, weights, shapes and sizes—from fun floating feathers to bouncing beads. Plus, each ball is made of flexible plastic that's easy to grab—even for little hands! Balls inflate to up to 8" in diameter and require inflation upon arrival.</p>
	2 sets	<p>Soft, safe, squeezable...and lots of fun to stack! Our vibrant, wipe-clean vinyl blocks come in tons of irresistible shapes, patterns and colors. We've even included 4 fun balls that jingle, shake, rattle and crinkle...and nest right inside the blocks! Set includes 26 pieces; cube measures 4 1/2".</p>

	4 sets	<p>2 years and up. Open the door to fun, purposeful play of all kinds with this set of Colored Playground Balls. These playground balls will facilitate both individual and collaborative play that develops gross motor skills, cooperation, and more. The variety of numbers and colors on the balls will also strengthen number recognition and color recognition skills. All balls have a diameter of 8.5".</p>
	1	<p>Keep all of your sports equipment and materials for gross-motor activities organized and accessible with the Move and Play Equipment Cart. This durable cart features a powder-coated steel frame and locking casters for easy mobility. Easy-to-reach bins and side hooks allow for convenient accessibility. Equipment sold separately.</p>
	2	<p>18 months &amp; up. Parachute activities promote gross motor functions and imagination. The durable parachute is made of rip-stop nylon fabric and sewn to last through the toughest play times. Each size includes storage bag. 12' with 8 Handles,</p>

	1 set	<p>This selection of tricycles and wheeled vehicles for social and imaginative play provides an excellent avenue of exercise for children. Riding tricycles is a great way to extend their gross motor development and are completely developmentally appropriate. The trikes for the older children are built for years of rugged outdoor use. They are ergonomically designed and have anti-pinching seating.</p>
	1	<p>12 months &amp; up. Our softline collection provides colorful, thoughtful transition pieces that assist children in acclimating to and mastering their surroundings. Cushioned climbers provide beginner crawlers the perfect place to exercise their newfound gross motor skills. The sturdy Natural Arches and Slides Climber has soft steps, a straight ramp and enticing tunnels to crawl, climb and slide down. Nine multi-height, solid sponge pieces in the natural color palette fit securely together with hook and loop closures. An appropriately sized, soft climber encourages toddlers to practice their budding balance and coordination skills in a safe, exploratory environment. Climber has an easy to clean surface--simply wipe clean with a damp</p>

		cloth. Assembled set measures 54" L x 54" W x 18" H. One year warranty.
	1	3 - 6 years. Gyms bring physical activity into the everyday curriculum in your classroom! Each kit is a complete play area designed to be developmentally appropriate for all ages and levels of gross motor development. Made of high density, lightweight plastic, these units will last for years without fading or warping. Simple slot-and-groove connection system for simple assembly. Includes eight items: two "U" slot-in blocks, one "Y" slot-in block, one beam, one stair/slope, one wave beam, one tunnel beam, one mini-bridge, and instruction booklet. Does not meet CPSC or ASTM standards for public playground
	1	The classic hopping game never goes out of style. Can be played inside or out. Children toss a stone, coin or bean bag and hop through the numerical maze. Perfect for practicing jumping, hopping, number recognition, and building gross motor skills. Nonskid backing keeps this rug from moving. Measures 72" L x 40" W.

	2	<p>Kids simply sit, step or hop on these mesmerizing liquid tiles to watch the colors seep and swirl! Designed with a no-slip backing for safe classroom use, the tiles are filled with colored liquid that creates ever-changing patterns when pressure is applied. It's the perfect way to provide a satisfying sensory experience while building gross motor skills! You get 4 rugged plastic floor tiles; each measures 19 3/4" x 19 3/4".</p>
	1	<p>Easy to hold and easy to stack, these jumbo-sized bricks make building a breeze! Lightweight plastic bricks have a simple, interlocking design that lets children press them together effortlessly...and keeps them in place until kids pull them apart. Set includes 60 bricks in 5 colors and 2 sizes; largest brick measures 11 3/4" in length.</p>
	1	<p>Kids walk and hop their way to balance and coordination with our natural-looking tree steps! Featuring textured tops for a strong grip, plus nonslip rubber bases for multi-surface use, the all-weather plastic steps are super-stable and easy to move where you need them! Set includes 5 steps in 2 sizes (2 large and 3 small). Large steps measure 22" w</p>

	1	<p>Our cushy crash pad gives kids an irresistibly soft landing zone—and an unforgettable sensory experience—as they jump, tumble, sprawl or relax right on it! Filled with impact-absorbing memory foam, the jumbo-size pad is perfect for <i>any</i> indoor space—from sensory and calming areas to reading corners—whether children are playing or kicking back to unwind. Plus, it features a microsuede cover that removes for machine-washing.</p>
	1	<p>3 - 6 years. Catch the wave as you crawl, climb, and balance on this unit. Includes 2 "U" slot-in blocks, 1 mini bridge, 1 wave, 1 set of steps, and 1 balancing beam. Can be configured into multiple shapes. Approximately 24" high. Does not meet CPSC or ASTM standards for public playgrounds.</p>
	All 4 sets	<p><b>Brick, Blocks, and Rock Builders</b>    3 years &amp; up. Build to new heights with this fantastic collection of realistic pretend bricks, blocks, and rocks! 		Discovery shapes and stacker sets (sold separately) to expand possible play outcomes.
	1	Transport your children across the globe with these exciting posters. This set of 12 high quality images features buildings and architecture from New York City all the way to Australia to name a few. Use these posters in an interactive lesson about geography and the wonders of the world. For extra learning, have children describe what they see in the images. Each of the 12 posters includes the name and location of the structure pictured. Posters measure 11" x 17".
	1	Bring the comfort of this beautiful, nature-inspired carpet to any room. Add a pop of color to any area or room. Crafted from 100% stain-resistant nylon, the carpet is treated to guard against odor, mildew, mold, stains, and static shock. Class I Flammability Rating and Indoor Air Quality certification passed.
	1	3 years & up. Introduce children to the exciting world of science with familiar topics. Each book uses simple text and includes beautiful photography and facts. Written by teachers, these stories encourage readers to explore the world around them. Explore with your child or class. Set of 5 science-themed books. Paperback. 24 pages in each book.

	1	<p>4 years &amp; up. Each book of this set takes a very simple look at a different sense: taste, sight, hearing, touch, or smell. Leveled text with repeated use of high frequency words makes the books perfect for beginning readers, while bright, colorful photographs complement the text and maintain readers' interest. Components may vary. Paperback. 24 pages each.</p>
	1	<p>4 years and up. Introduce paleontology to young children with 12 picture cards and matching x-rays! Simply lay the x-rays over the picture cards to see the bodies from the inside out. Includes an informative guide with where and when the animals lived, what they ate and how big they grew. Includes 12 picture cards, 12 x-rays, and guide</p>
	1	<p>3 years &amp; up. Instant activity center for children to learn and begin to understand step by step the sequencing life cycles of 5 different insects. Game includes 2 laminated activity game boards along with 4 life cycles cards for each insect. An activity guide is included to show the many different ways to play the game and to get kids interested in the life cycle process</p>

	1	<p>2 years and up. Show children the life cycle of a butterfly with this Specimen Life Cycle Puzzle. Each piece features an authentic specimen that depicts a life stage. Children must correctly connect the pieces to one another to see the butterfly's life cycle from start to finish. As children assemble the puzzle, they will engage in early scientific exploration that can help create a lifelong love of nature. Largest piece measures 2.1"W x 1"H x 2.4"D; smallest piece measures 1.25"W x .6"H x 1.4"D.</p>
	1	<p>2 years and up. Put nature in children's hands with the Moth Specimen Life Cycle Puzzle. Each acrylic piece in this puzzle displays a different stage of the moth's life cycle. Children must correctly connect the pieces together to see the whole life cycle. As they investigate how a moth becomes a moth, children will engage in early scientific exploration that can help create a lifelong love of nature. Largest piece measures 2.1"W x 1"H x 2.4"D; smallest piece measures 1.25"W x .6"H x 1.4"D.</p>

 <p>Hover to zoom</p>	1	<p>3 years &amp; up. Become a counting expert with the help of the Friendly Farm® Animals Magnetic Maze! The smiling faces of familiar animals make counting and number matching a fun activity. Use the magnetic wand and move the beads until the baskets fill with the correct number of beads. This engaging activity helps children to develop number recognition, counting skills, hand-eye coordination, fine motor skills, problem solving skills, and dexterity. For extra learning, have your children identify the animals at each basket. The Friendly Farm® Animals Magnetic Number Maze Comes with a self-contained wand.</p>
 <p>Hover to zoom</p>	1	<p>A beautiful take on traditional classroom storage units, the Sense of Place Shelving and Tote Storage satisfies practical organizational needs while also enhancing the beauty of the physical environment. Keep papers, books and relevant learning materials accessible and organized using this compartmentalized unit. Cubbies sized to fit Woven Storage Totes (sold separately, <a href="#">301033</a>) as well wide shelves provide a variety of shelving. Unit measures 48"W x 36"H x 15"D.</p>

	2	<p>Authentic materials and textures invite children to touch, interact and explore, while adding beautiful elements to the heart-centered environments where they learn. The Sense of Place Woven Storage Totes are a nature-inspired interpretation of traditional classroom storage bins and feature an easy-to-clean synthetic rattan construction. These practical storage bins are designed to fit in the cubbies of the Shelving and Tote Storage unit.</p>
	1	<p>4 years &amp; up. Invite children to explore human anatomy with this 24-piece puzzle. The puzzle depicts both internal organs and bones so that children can investigate multiple dimensions of the human body. Human body puzzles provide a holistic learning experience that combines cognitive, physical, social, and emotional development in a fun and engaging way. It also helps children develop critical-thinking skills as they solve the puzzle and fine-motor skills as they put it together. Measures 18" x 24". 24 pieces.</p>
	1	<p>3 years &amp; up. Invite children to imagine an underwater adventure with this vivid 24-piece floor puzzle. Allow them to immerse themselves in the bold colors and brilliant details of the real images while completing this puzzle. Made of extra-thick durable cardboard with a wipe-clean surface. Measures 24" x 36".</p>

	1	3 years & up. Explore what lives below the sea with this engaging Different Sea Life Floor Puzzle for Collaborative Play. This large underwater floor puzzle is great for promoting problem solving, fine motor skills, collaborative play, color recognition, and critical thinking. Encourage your children to work together as they correctly fit the pieces together to reveal the thriving underwater life. The 48 extra-thick pieces and easy-clean surface keeps the puzzle looking like new. Measures 24" L x 36" W.
	1	6 years & up. Everyone will enjoy doing this brightly colored ocean themed puzzle. 100 pieces.
	1	3 years & up. Includes 55 plastic fruits and vegetables in 10 durable cardboard cans with lids. Great addition to a pretend play kitchen pantry. Cans are labeled with numerals, words and pictures to reinforce early math and vocabulary skills, along with plastic fruits and vegetables that match the can's picture and numeric value. Each can measures 4.25" H x 3" in diameter. Lightweight cans stack or store in carton. Includes an Activity Guide with intervention strategies.

	6	<p>3 years &amp; up. Give early writers some captivating visual aids with the Writing Readiness Prewriting Skills Book. Featuring 16 double-sided pages, this book introduces young children to 8 basic writing strokes by locating a writing stroke (like a straight line) within a real-world image (like a fence) and prompting children to trace the stroke. This book is a unique, engaging way to teach children fundamental writing skills.</p>
	2	<p>3 years &amp; up. Watch your child immerse themselves in adventures and pretend play while creating a prehistoric world! This 11-piece Dinosaur set is made of heavy vinyl with realistic details and measure approximately 3 to 9 inches each, great for play and exploring. Various dinosaurs are included but not limited to the Triceratops, Stegosaurus, Allosaurus and more! 11 pieces.</p>
