

SCOPE OF WORK

BENEFITS OFFICE CARPET REPLACEMENT, HARD ROCK CASINO TULSA

Cherokee Nation Entertainment requests bids for the following scope of work. Remove and replace the carpet in the Benefits office at the Hard Rock Hotel & Casino Tulsa. The work consists of removing old carpet and rubber base, preparing flooring surface for new carpet, and applying the new carpet with Shaw tile carpet. The material application is as follows:

Remove approximately 2,312 sqft of carpet and prepare flooring surface for application of new carpet/Shaw Tile Carpet, Style: Hybrid Tile, Size: 24" x 24" Color: Water 64485.

Apply new direct glued carpet with vendor provided glue.

Notes: Work must be conducted after 5 pm on Fridays and continued into Saturdays and Sundays if needed. Schedule to be worked out with the winning bidder. Owner will be responsible for removing desks, chairs and cubicle material. The vendor will be responsible for any cove base to be removed and replaced with like material.
