ASPHALT WORK
EARLY CHILDHOOD UNIT – SALINA, OKLAHOMA
ADDENDUM 01**

The following questions and/or requests for clarification were received by the deadline mandated in the Request for Bid.

Question: Do I need to include sales tax in my bid?
Response: The Cherokee Nation does not make vendors/contractors an “agent”. So, sales tax should be considered as part of a company’s overhead/cost of doing business and calculated in their bid. This should not be listed as a separate line item.

Question: Do I need to include TERO fees in my bid? And, if yes, how much is the fee for an 8 man, non-native crew for 2 days? And, wanted to check if they needed to be included in the bid price or listed as a separate line item
Response: The TERO fees from the successful bidder are ½ of 1% of the total award amount. There is also a \$25.00 fee per day for each non-Indian onsite. For exact information, please call (918) 453-5000 & ask to speak to TERO. All fees should be considered part of the company’s overhead/cost of doing business and calculated in their bid. This should not be listed as a separate line item.
