NARRATIVE LETTER

TO: CHILDERS ARCHITECTS
FROM: JARRED LUNSFORD, STEPHEN EDMONDSON, BETSY WELLS– HP ENGINEERING, INC.
DATE: 7/25/2019
PROJECT: OSU 95% CONSTRUCTION DOCUMENTS | DESIGN ELEMENTS

ELECTRICAL DESIGN ITEMS

1. Power distribution for the data systems is not included in this 95% set, currently it is uncertain which system is going to be used either the 208 or the 480.

PLUMBING DESIGN ITEMS

1. Plumbing Equipment schedule: All of the “S” fixtures do not have model numbers at this time. These sinks will all be stainless steel. The S-5 and S-7 will have a foot operated controller for the faucet. All other faucets for the “S” sinks will be manually operated.

MECHANICAL DESIGN ITEMS

1. Show remote damper locations for dampers located over hard ceiling.
2. Match architect final ceiling access panel locations. Show them on RCPs.
3. Place sensor locations on zoning plan.
