

Interpretations received by the deadline for the RFQ – Professional Engineering Services:

- 1. Limits of General Liability and Professional (errors and omissions) policy:**

Response: Limits are \$1,000,000.00

- 2. TERO Certification pending:**

Response: State that it is pending with the TERO office and send copy of application and any other documentation to support file. When certification is received, must supply TERO Certificate.

***We will verify that TERO application is complete and status with the TERO office**
