

Addendum #1 to Bid 118909 / 12-01-20

James Danielson Children's Village:

Can you tell me exactly how many buildings are involved on the bid at this location?

It's the entire circle of buildings at the village...approximately 22 buildings of varying sizes.

Tahlequah Early Learning Academy:

Is the 2 story building a part of the school?

TELA does not include the 2 story part of the building.
There is a split level portion that we use.

The bid must include after hours spraying while kids are not present?
