Terms & Conditions Commercial Services

1. Parties. For the purposes of this order (“Order”), Buyer shall refer to the party identified under “Bill To” and Seller shall refer to the party identified under “Order To.”

2. Acceptance. This Order is subject to immediate acceptance. Until so accepted, Buyer reserves the right to cancel without incurring any liability whatsoever. Acceptance of this Order by Seller will be by either (a) a signed written acceptance, or (b) any performance by the Seller.

3. Entire Agreement. This Order as executed by Buyer constitutes the entire agreement between the parties. If the parties have previously entered into a valid written subcontract which is currently in effect covering the items described in this Order, or are otherwise subject to separate terms and conditions as a result of a subcontracting relationship (“Subcontract”), then the written contract or terms and conditions of the Subcontract shall control and supersede any terms or conditions herein that are in conflict with such subcontract, but all other terms and conditions of this Order shall remain in effect.

Buyer hereby objects to and rejects any inconsistent terms contained in any acknowledgement, invoice or other communication from Seller and the parties agree that such inconsistent terms shall not be part of this Order. Buyer’s acceptance, payment or any similar act shall not be deemed as agreement to Seller’s inconsistent terms. Seller and Buyer agree that this Order shall supersede all prior or contemporaneous understandings, agreements (other than a Subcontract), negotiations, representations and warranties, and communications, both written and oral, between the parties with respect to the subject matter of this Order. This Order expressly limits Seller’s acceptance to the terms of this Order, which shall prevail over any terms or conditions contained in any other document (other than a Subcontract), and expressly exclude any of Seller’s general terms and conditions of sale or any other document issued by Seller in connection with this Order.

4. Changes. This Order can only be modified by a written instrument duly executed by an authorized representative of the Buyer (“Change Order”). Buyer reserves the right to issue a Change Order to modify the descriptions as to the Services (hereinafter defined), scheduled performance dates, and other obligations. Seller shall notify Buyer of any proposed changes to the Services covered by this Order, including but not limited to changes

to the scheduled performance dates and/or processes, and obtain prior written approval before the implementation of such change. Any difference in price or time for performance resulting from such changes shall be equitably adjusted at the time of such change, and this Order shall be modified by the issuance of a Change Order accordingly. In the event that Seller and Buyer cannot agree on the amount of any time or price adjustment, Seller shall continue with performance as directed by Buyer, pending the resolution of any such dispute pursuant to Section 22 herein.

5. Section Modification Required by Buyer’s Customer. Seller agrees to incorporate any revised section or additional section to this Order by the issuance of a Change Order as Buyer may reasonably deem necessary to enable Buyer to comply with the provisions of the higher-tier contract with any of Buyer’s clients or customers, which originated the need for executing this Order and any modifications thereto. If any such revised section or additional section causes any increase or decrease in the cost of or time required for performance of this Order, an equitable adjustment shall be made in accordance with the procedures of Section 4 hereof.

6. Services. Seller shall provide the services as identified in this Order (“Services”) to Buyer in accordance with these terms and conditions.

7. Time is of the Essence. Time is of the essence with respect to Seller’s obligations hereunder. Prompt and timely performance of all such obligations, including all performance dates, timetables, project milestones, and other requirements in this Order is strictly required.

8. Obligations. Seller shall, at all times during the term of this Order, maintain all licenses and certifications necessary to comply with relevant laws and regulations applicable to provision of the Services.

Seller shall also ensure that any employee or agent acting on behalf of Seller in performing the Services is properly licensed, certified, or accredited as required by applicable law, and are suitably skilled, experienced, and qualified to perform the Services. In consideration for the satisfactory provision of the Services by Seller, Buyer agrees to pay the fees set forth in this Order.

9. Representations and Warranties. Seller represents and warrants to Buyer that (a) Seller shall perform the Services using personnel of the required skill,

experience, and qualifications in a professional and workmanlike manner in accordance with best industry standards for similar services and shall devote adequate resources to meet Seller's obligations under this Order; (b) Seller is in compliance with, and shall perform the Services in compliance with, all applicable laws; (c) Buyer will receive good and valid title to all deliverables, free and clear of all encumbrances and liens of any kind; and (d) the provision of the Services by Seller will not infringe any intellectual property right of any third party.

10. Warranties Cumulative. The warranties set forth in Section 9 are cumulative and in addition to any other warranty provided by law or equity. These warranties survive any inspection, test, acceptance of, use or payment for the Services by Buyer. Any applicable statute of limitations runs from the date of Buyer's discovery of the noncompliance of the Services with the foregoing warranties.

11. Buyer's Property, Tooling, and Other Articles for the Provision of Services. Unless otherwise specified in this Order, all tooling and all other articles required for the performance of the Services shall be furnished by Seller and shall be properly maintained and replaced when necessary at Seller's expense.

If Buyer agrees to pay Seller for such tooling and other articles, or any other property, either separately or as a stated part of the price of the Services, title to same shall pass to Buyer upon (a) commencement of processing for use in performance of this Order, or (b) Buyer's payment therefor, whichever occurs first.

Title to any property furnished by Buyer to Seller that Buyer already held title to shall remain with Buyer. Any such tooling, other articles, or other property shall be used only in the performance of this Order unless otherwise provided in writing by Buyer.

Seller agrees to follow normal industrial practice in the preparation and maintenance of pertinent property control records and shall make such records available for inspection by Buyer at all reasonable times. Seller shall store, protect, preserve, repair, and maintain such property in accordance with sound industrial practice, all at Seller's expense. In the event that Buyer's property becomes lost or damaged to any extent for any cause while in Seller's possession, Seller agrees to replace or repair such property, at Seller's expense, in accordance with Buyer's request.

After completion or termination of this Order and upon the request of Buyer, Seller shall furnish a list of such Buyer's property in the form requested by Buyer and shall make such property available for disposition by Buyer. Seller shall reimburse Buyer for any materials not returned promptly when requested by Buyer. Buyer may, at its sole discretion and by written notice, divest itself of title in favor of Seller.

12. Invoicing Instructions. Itemized invoices shall be emailed or mailed to Buyer at the address noted in this Order. All invoices must reference the Order number.

13. Payment Terms. Unless otherwise stated in this Order, payment terms are 1%/10 net 45. For the purposes of this Order, "1%/10 net 45" means a one (1) percent discount if paid within ten (10) days, otherwise payment will be due within forty-five (45) days, after the submission of an invoice by Seller that complies with the requirements of this Order and applicable laws.

14. Taxes. Seller's prices shall be exclusive of any federal, state, or local sales, use, or excise taxes levied upon, or measured by, the sale, the sales price, or use of Services required in the performance of this Order. Seller shall list separately on its invoice (or voucher) any such tax lawfully applicable to any such goods, and payable by Buyer, with respect to which Buyer does not furnish to Seller lawful evidence of exemption. Seller shall comply with any reasonable request by Buyer regarding payments under protest, and regarding any refunds, claims, litigation, or proceedings with respect to any such taxes and shall make appropriate adjustments to afford Buyer the benefit of any refund or reduction in such taxes.

15. Insurance. Seller may not commence work (including on-site performance of the Services) until certificates of insurance are submitted to Buyer in a form acceptable to Buyer. By acknowledgement or commencement of work, Seller accepts Buyer's standard terms and conditions relating to insurance, which are attached to this Order as Attachment A and terms are specifically incorporated herein. Based upon the Order, additional coverages or increase of limits could be required. Any additional coverages or increase of limits required will be specified in this Order.

16. Stop-Work Order. The Buyer may, at any time, by written order to the Seller, require the Seller to stop all, or any part of the Services ("Stop-Work Order") for a period of up to 90 days after the Stop-Work Order is delivered to the Seller, and for any further period to which the parties may agree. The Stop-Work Order shall be specifically identified as such issued under this Section. Upon receipt of the Stop-Work Order, the Seller shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by this Order during the period of work stoppage. At the expiration of the Stop Work Order period, or within any extension of that period to which the parties shall have agreed, the Buyer shall either (a) cancel the Stop-Work Order, or (b) terminate the work covered by the Stop-Work Order.

17. Force Majeure. Strikes, fire, accidents or other causes beyond the reasonable control of Buyer, which shall affect Buyer's ability to receive the Services, shall constitute valid ground for suspension of the Services

without penalty to Buyer. Buyer shall notify Seller by email or letter. Buyer will not exercise this cancellation right without reimbursement to Seller for expenditures actually made for labor and materials specifically for this Order.

18. Termination for Convenience. Buyer may at any time terminate this Order in whole or in part for its convenience upon written notice to Seller. In the event of termination under this Section, Seller shall be entitled to reasonable termination charges consisting of a percentage of the Order price reflecting the percentage of the work performed prior to termination, plus any reasonably incurred settlement expenses. In no event shall Buyer's obligation under this Section exceed the Order value of the Services terminated. In such case, after making the corresponding payment, Buyer shall have the right, but not the obligation, to take title to the progress made by Seller in relation to the Services as of the date of termination.

19. Failure of Seller to Perform. If Seller fails in any respect to comply herewith or with any other contracts then existing with Buyer, Buyer may, at its option, to this Order or any such other contract pending compliance by Seller, (a) defer further use of Services, or (b) terminate in accordance with Section 21, in whole or in part, without incurring any liability whatsoever. Buyer's rights pursuant to this provision shall be in addition to any and all other legal or equitable remedies available to it.

For the purposes of this Order, Seller shall be deemed to be "Insolvent" in the following situations: (a) if it has ceased to pay its debts in the ordinary course of business or cannot pay its debts as they become due, whether it has committed an act of bankruptcy or not and whether insolvent within the meaning of the Federal Bankruptcy Act or any other applicable law or not; (b) the filing of a voluntary petition to have Seller declared bankrupt, provided the bankruptcy court approves such termination, to the extent required by the bankruptcy court; (c) the appointment of a receiver or trustee for Seller; or (d) the execution by Seller of an assignment for the benefit of creditors. In the event that Seller becomes Insolvent, Seller agrees to immediately notify Buyer in writing.

21. Termination for Default. Buyer may terminate the Order in whole or in part for default and without incurring any liability whatsoever, in the event of the occurrence of any of the following: (1) Insolvency of the Seller; or (2) Failure of Seller per the terms of this Order to (a) perform the Services within the time specified in this Order and any authorized extension, (b) make progress so as to endanger the performance of the Order, or (c) perform to any other substantive or material provisions of this Order. The Seller shall diligently proceed with performance of any portion of the work not terminated as per the provisions of this Order. If, after a termination for default under this Section, it is determined that Seller was not in default, the termination will be deemed for Buyer's convenience and the rights and obligations of the parties will be set forth in Section 18.

22. Disputes. The parties shall attempt in good faith to resolve any disputes arising out of or relating to this Order by negotiation between individuals who have authority to settle the controversy. In the event of any dispute arising under this Order that cannot be settled by mutual agreement after negotiating in good faith for thirty (30) days, then Buyer shall issue a decision with respect to such dispute which shall be final, conclusive, and binding on both parties.

23. Governing Law. The rights and obligations of the parties to this Order shall be governed by, and construed in accordance with, the laws of the State of Oklahoma, without regard to its choice of law provisions.

25. LIMITATION OF LIABILITY.
