Proposal Evaluation Process:

Proposal Scoring Methodology:
The proposal evaluation criteria is outlined in detail within Project Scope section of this RFP.

Drug Free Workplace and Tobacco Free Workplace:
Any Contractor performing work for the Cherokee Nation agrees to publish a statement notifying all employees, subcontractors, and other workers that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the Contractor’s workplace and specifying the actions that will be taken against violators of such prohibition. The NATION will consider lack of enforcement or lax enforcement of the statement by Contractor a default of the contract. The Contractor further agrees to provide all persons engaged in performance of the contract with a copy of the statement. A copy of bidder’s Drug Free Workplace statement shall be included with the proposal or else the successful bidder will be deemed to accept and agree to use the statement provided by NATION. The Contractor understands and recognizes that all Cherokee Nation buildings, whether leased or owned, and the grounds surrounding those facilities are considered by the Nation to be a tobacco free workplace. The Contractor will ensure all employees, subcontractors, and other workers will abide by this policy.

Proposal Acceptance:
The Cherokee Nation reserves the right to determine a proposal acceptable in terms of meeting RFP requirements. The Cherokee Nation reserves the right to accept or reject any and all proposals received and to negotiate with offerors regarding the terms of their proposals or parts thereof. The Nation reserves the right to award a contract in the best interests of the Cherokee Nation. The Nation will not accept multiple proposals from the same offeror.

Conditions of Work:
Each interested party must inform themselves fully of the scope of work of this Request for Proposal. Failure to do so will not relieve a successful offeror of his obligation to carry out the provisions of a contract resulting from this proposal. Insofar as possible, the offeror, in performing work under this contract, will employ such methods or means as will not cause any interruption of or interference with the work of the Cherokee Nation.
Debarment, Suspension, Proposed Debarment, and Other Responsibility Matters:
The responding party certifies to the best of its knowledge and belief that the person, the firm, or any of its principals are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency or Indian tribe. The offeror will also certify they have not, within a three-year period preceding this Request for Proposal, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, Local or Tribal) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commissions of embezzlement, theft, forgery, bribery, falsifications or destruction of records, making false statements, and are not presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in this provision. The responding party certifies they have not, within a three-year period preceding this Request for Proposal, had one or more contracts terminated for default by a Federal, State, Local or Tribal agency.

The responding party shall provide immediate written notice to the Cherokee Nation if, at any time prior to contract award, the person learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

This certification is a material representation of fact upon which reliance was placed when making award. If it is later determined the responding party knowingly rendered an erroneous certification, in additional to other remedies available to the Cherokee Nation; the Cherokee Nation may terminate the contract resulting from this Request for Proposal for default.

Confidentiality:
It is understood any information submitted to the interested party by the Cherokee Nation in respect to this Request for Proposal embodies certain proprietary information and is loaned to the party on a confidential basis. Any information acquired at the Cherokee Nation or otherwise relating to processes belonging to the Cherokee Nation incorporated into this project shall be kept confidential. The party agrees not to use in any unauthorized manner or communicate to others any such confidential items without the prior written consent of the Cherokee Nation and will undertake such measures as are necessary to require its employees and all approved subcontractors to maintain complete confidentiality.

Term:
The term of the Agreement shall be from date of award to the end of the fiscal year, September 30, 2020, with the option to renew based upon satisfactory performance, funding availability, and mutual agreement of both parties through September 30, 2023.
