The amounts listed reflect only the total amount written or typed on the bid submitted by the listed vendor. This is the amount that would have been read aloud in a public bid opening. This does not in any way select a vendor for award. The CN-IT Department will review each bid submitted for completeness: all items bid and determine if product offered meets specifications stated in the Request for Bid Packet. Award information will be posted after complete review and selection by CN-IT

RECORDED BY: S. McClain
