

Addendum #1 question & answers for BID # 139204 / 6-24-21

QUESTION:

I am in receipt of your Request for Bids for the 2 APPLE IMAC. To ensure I am giving you the correct price, I would appreciate if you could please elaborate on the exact configuration. The current specifications are not complete. I would appreciate if you can state the exact Memory you need on these two units and if you have identified a part # that would be a great help. To ensure you are getting the exact product you need, please provide detail specifications.

We are interested in submitted a bid for this solicitation, however we will need more information on the item requested.

The MFR indicated does not show up in google, so I cannot narrow down the exact IMac without more details.

Can you provide more specifications so I can locate the exact model?

The document at the link provided does not have all the details needed to provide a part number. I need to know the following additional details.

Antiglare Glass level (Standard / Nano)

RAM level (8/16/32/64/128GB)

Ethernet (Gigabit or 10GB)

And Numeric Keypad on the Keyboard or not

Can you help me get this information? We would like to correctly bid this opportunity
