

Statement of work: Commercial Dryers for Jay Laundry

Jay laundry is seeking two (2) B&C DE series commercial laundry dryers. When submitting your bid, please quote both 120 pound and 170 pound capacity models. The specs for both models are as follows:

Capacity:

120 pounds (B&C Model DE-120)

170 pounds (B&C Model DE-170)

Reversing: Yes

Heat: Natural Gas

Power: 208v 3p

Freight: Delivered to Jay, OK (1758 W. Lindly St., Jay, OK 74346)

Substituted units must be approved prior to qualifying as a bid submission. Substitutions must be equal to or less than specified units' physical dimensions which can be located in accompanied document.
