

Hard Rock North Central Plant

Chiller Evaporator/Condenser Pumps & Motors

Supply/Evaporator Pump E/F

- Manufacture – Armstrong
- Model # DE4300IVS 0813-100.0
- Serial # 1018316153
- Part #
- Description – Supply/Evaporator Pump
- Quantity – 1

Supply/Evaporator Pump Motor E/F

- Manufacture – Baldor
- Model # 1205341802-000010
- Serial # X1809M00733
- Part #
- HP – 100
- Description – Motor (VFD included)
- Quantity – 1

Supply/Evaporator Motor E/F VFD

- Manufacture – Armstrong
- TC – IVS102P75KT4P55H2XGXX
- Model/PN # 131U0726
- Serial # 006703H358
- Part # (Armstrong) 751266-381
- HP – 100
- Description – VFD Only
- Quantity – 1

Condenser Pump E/F

- Manufacture – Armstrong
- Model # 12x12x13
- Serial # 1018302032
- Part #
- Description – Condenser Pump
- Quantity – 1

Condenser Pump Motor E/F

- Manufacture – Baldor
- Model # 1205341815-000010
- Serial # X1809M00734
- Part #
- HP - 50
- Description – Motor (VFD included)
- Quantity – 1

Condenser Motor E/F VFD

- Manufacture – Armstrong
- Model # IVS102DEPC
- Serial #
- Part # 7612
- HP – 50
- Description – VFD Only
- Quantity – 1
-

Notes

- We prefer all three items (Pump/Motor/VFD) to be separated, but I believe there were some issues. Would you please provide these details? All separated items benefit CNE the most, so we can replace only the needed item and not the complete pump/motor assembly.
- Provide ETA for standard delivery and ETA for expedited (Please show any additional cost for expedited delivery)
