Instructions to Bidders

1. Receipt and Opening of Proposals:

Cherokee Nation ("Owner") on behalf of Foreman Manhattan Construction Team (herein called "Construction Manager", "CM", "Foreman Manhattan Team", "FMC", or "Foreman Manhattan") acting as Construction Manager **is accepting SEALED bids on Thursday, September 1, 2022 at 2:00PM Central.**

All proposals should be sent by express delivery, regular mail, or hand delivery to Cherokee Nation Financial Resources Building at the following address:

IF BY EXPRESS DELIVER OR REGULAR MAIL

Cherokee Nation Purchasing Department
Attn: Shelly McClain
PO Box 948
Tahlequah, OK 74465

IF BY HAND DELIVERY

Cherokee Nation Purchasing Department
FINANCIAL RESOURCES BUILDING
Attn: Shelly McClain
17675 Muskogee Ave.
Tahlequah, OK 74464

NOTE: THE FINANCIAL RESOURCES BUILDING IS LOCATED BEHIND (SOUTH OF) THE MAIN CHEROKEE NATION COMPLEX, ALONG COTTON WOOD STREET (SEE MAP @ END OF THIS DOCUMENT)

Proposals shall be designated as:

"NEW CHEROKEE NATION HOSPITAL – BID ID #150183 - Scope Package # _____"
(Example: Scope Package #03.01 Building Concrete)

And properly marked with project name, name of bidder and bid package number. Any Proposal may be withdrawn prior to the scheduled time for the opening of bids or authorized postponement thereof.

Email delivery of Proposals shall NOT be accepted.

2. Proposal Due Date:

Due Date: **Thursday, September 1, 2022**

Time: **2:00 P.M. Central**

3. **Content to be included at Foreman Manhattan Construction Team request:**

Each bid proposal must be submitted on the prescribed form. All blank spaces for bid prices must be filled in, ink or typewritten. Bidder shall submit proposals using the prescribed forms included herein.

- a. Completed Foreman Manhattan **Proposal** Bid Form / Scope Package Document
- b. Completed Non-Collusion Affidavit
- c. Completed Business Relationship Affidavit
- d. Bidder's Proposal / Scope Letter (Optional)
- e. **Bonding Company Letter Indicating Single Project and Aggregate P&P Bond Capacity**
- f. TERO bidders must supply a copy of TERO Certificate, front and back (TERO Bidders Only)

4. **Bid Bond:**

NOT REQUIRED

5. **Performance and Payment Bond Requirements: (Subcontractor contracts Only)**

Costs for performance and payment bonds **shall be included in your base bid and any applicable alternates or unit prices.** In addition, all base bids, combination base Bid and including all alternates of \$100,000 or above will require Performance and Payment Bond equal to one hundred percent (100%) of the contract amount. Reference Section 00 60 04 – Exhibit B of the C.M. Bid Manual. All exterior envelope Bid Packages (Trades) will be required to bond regardless of bid amount.

6. **Tribal Employment Rights Office.**

SUBCONTRACTOR IS TO COMPLY WITH ALL CHEROKEE NATION, TRIBAL EMPLOYMENT RIGHTS OFFICE (TERO), NATIONAL INDIAN GAMING ASSOCIATION (NIGA), AND ALL BUREAU OF INDIAN AFFAIR'S (BIA) RULES, REGULATIONS, AND LICENSING APPLICABLE TO THIS PROJECT.

11.1.1 - TERO document "An Act" Legislative Act 01-14 dated February 10, 2014.

This Document is ACT AMENDING LA 30-12, "CHEROKEE NATION EMPLOYMENT RIGHTS ACT"

11.1.2 - Subcontractors are to **EXCLUDE** the cost for Section; Title 40, § 1011; T.

To assess an Employee Rights Fee of one-half (1/2) of one percent (1%) on all covered contracts.

This fee is being waived for this project.

11.1.3 - The Work Permits paragraph of the Tribal Employment Rights Office (TERO) Project Labor Agreement - Master Agreement LA 01-14 states: No person who is not a member of a federally recognized tribe shall be employed by a covered employer until he or she has obtained a work permit from the TERO at a cost of twenty-five dollars (\$25) per day, per permit. Subcontractors are to **EXCLUDE** in their proposed price for the work, all costs associated with the twenty-five (\$25) per day work permit for every non-Indian individual employed on this project.

This fee is being waived for this project.

7. **Pre-Qualification of Bidder:**

NOT REQUIRED

8. **Sales Tax**

All bids provided must furnish all labor, quality control, materials, supplies, delivery, installation and supervision to complete the entire project. The Cherokee Nation will not be utilizing Owner Direct Paid Invoices (ODPI) for this project, so the bidder must plan to make all purchases – those bidder purchases must **INCLUDE** all applicable Sales Tax.

Applications for payment shall be broken down as required by the Owner or Construction Manager.

~~All bids must be submitted exclusive of Federal Excise Tax and Oklahoma State Sales Tax. The Cherokee Nation is exempt from Oklahoma State Sales Tax and Federal Excise Tax under authority of § Okla. Stat. Supp. 1994 Section 1356. Bidder is to include and pay all other applicable sales tax and use taxes as required. Applications for payment shall be broken down as required by the Owner or Construction Manager.~~

~~Specific Project Requirements for the process, approval, and payment of Owner Direct Payment Items (ODPI) are identified in section 00-60-09:~~

EXHIBIT "G"

Tax Exempt / Owner Direct Paid Invoice (ODPI) Payment Process

~~Applications for payment shall be broken down as required by the Owner or Construction Manager.~~

9. **Davis-Bacon Wage Scale**

LAWS AND REGULATIONS:

The responding firm's attention is directed to the fact all applicable State Laws, municipal ordinances, and the rules and regulations of all authorities having jurisdiction over construction of this project shall apply to the contract throughout, and they will be deemed to be included in any future contract the same as though written out in full.

Wage Rates: The Cherokee Nation requests the wages for any future contract/project follow the Davis Bacon Wage Scale. Awarded parties will be required to maintain wage rates paid to employees for any future awarded project and have reports available upon request. And, 40 U.S.C.A. §3702 & §3704 per Department of Labor regulations regarding work hours and conditions. Cherokee Nation TERO law ~~and fees are~~ is applicable to any future agreement

10. **Schedule**

Time is of the essence of the Contract. Bidders are to review the work of their particular Bid Package and all other Bid Packages in relation to the Project Schedule. The Subcontractor is committing to the Master Schedule of the project by submitting a Bid.

Subcontractor should include all remobilization charges required per the Project schedule.

11. **Examination of bid documents:**

Bid Documents can be obtained electronically from Foreman Manhattan's Building Connected website, and the Cherokee Nation Commerce website:

<http://www.cherokeebids.org>

12. Examination of Site

Contractor shall examine site, make notes of existing conditions, comparing such with the plans and specifications, and be fully satisfied as to conditions of such before submitting his proposal. No allowance shall be subsequently made to the Contractor by reason of any error on his part.

13. All Questions and Interpretations of the Bid documents:

Project Contact: **Michael Flaherty**

(918) 237-6995
mflaherty@manhattanconstruction.com

14. Acceptance and/or Rejection of Bid Proposals:

Foreman Manhattan will privately open bids with the Client. The Owner and/or the Construction Manager expressly reserve the right to waive all formalities or minor irregularities and to reject any or all bids. Combination of bid packages, incomplete bid packages and/or qualified bids may be subject to rejection.

No bid shall be withdrawn for sixty (60) calendar days after bidding.

15. Bid Alternates:

Bid Alternate price shall be held for (90) calendar days after bidding.

16. Bid Opening:

Bids will be opened in private by Owner and Foreman Manhattan Construction Team.

The bidder must plan for a post bid meeting/interview to review bidder's proposal and scope of work associated with the project. This post bid de-scope meeting/interview will be scheduled at the close of business day a minimum of 48-hours after the initial Bid Day.

A second additional 48-hour period shall be extended in order to follow TERO requirements and procedures.

It is the intention of Cherokee Nation to award this project within 30 days of the proposal date.

Any proposal received more than ninety-six (96) hours, excluding Saturdays, Sundays and holidays, before the time set for the opening of proposals, or any proposal so received after the time set for opening of proposals, shall not be considered and shall be returned unopened to the proposing firm submitting same.

Cherokee Nation Businesses and Foreman Manhattan Construction Team will privately review bids. The Owner and/or the Construction Manager expressly reserve the right to waive all formalities or minor irregularities and to reject any or all bids. Combination of bid packages, incomplete bid packages and/or qualified bids may be subject to rejection.

GENERAL ACKNOWLEDGEMENTS

Mark "Yes" or "No" To All:

1. Sales Tax - This subcontract shall include all applicable sales tax. ~~unless the Owner Direct Paid Invoices (ODPI) process as identified by the Cherokee Nation is properly utilized by this subcontractor.~~
2. Include separate mobilizations / demobilizations as required by the Project Schedule and Phasing Plans.
3. Provide all mock-ups as indicated or required by the contract documents. Removal of the mock-up if required by the contract documents.
4. Provide all Warranties, Special Warranties, Inspections or Special Project Warranties as required by contract documents or manufacturer's written requirements.
5. Provide all shop drawings, product data, sample and other pertinent submittals for the work of this Subcontract. Provide engineering and printing costs for all shop drawings, coordination drawings, and product submittals for architect approval as required to properly coordinate the work included in this Subcontract with other trades. Include costs for revising and resubmitting shop/ coordination drawings as needed.
6. Subcontractor shall warehouse or store, separate and clearly identify all materials or equipment purchased as **stored material Owner Direct Pay (ODPI)** under this Subcontract in order for Manhattan and The Owner's representatives to inspect and verify offsite storage at any time during the execution of this Subcontract. All materials stored offsite must be located in an insured and bonded warehouse facility.
7. Provide all required pedestrian protection, traffic control and protection including flagman, barricades, signage, etc. as required for the work, and as may be required for protection for equipment access, deliveries and loading.
8. Subcontractor is required to comply with requirements to control Dust and Airborne Contaminants. No waste materials or debris shall be allowed to accumulate.
9. Keep surrounding streets, drives, and parking areas free of dirt caused or created by the work of this bid package.
10. Provide all cleanup and haul-off of excess debris resulting from work of this Subcontract. Large or heavy items are not to be placed in the dumpster without specific approval from the Construction Manager.
11. It is mutually understood and agreed that this subcontractor will coordinate all of the scheduled deliveries of these items being furnished by others with the Manhattan designated representative. This includes the on or off site storage, staging, inventory control, and shipping to the site. All damages or shortages are to be reported within 24 hours of delivery.
12. Subcontractor will assist Manhattan with providing material quantities and cost breakdowns as required for the Owner's and Manhattan's budget requirements. All breakouts specified in this subcontract will be used for accounting purposes and tracking only.
13. Subcontractor agrees to be bound by the Welcome Package issued by the Manhattan Field staff.
14. Authorized Subcontractor supervision must be onsite while work is being performed.

Drawing and detail references are provided for reference only and are not to be considered as all-inclusive of Contract Documents for the particular items referenced. (Please note: The word "provide" when used herein shall mean furnish and install completely, including all costs for labor, materials, equipment, hoisting, layout, scaffolding, ladders, staging, tools, rigging and any other appurtenances necessary to complete the Work".) Subcontractor has familiarized himself with the documents and has included those items of work shown and noted on the documents and all other equipment, devices and components that are not shown or noted, but required to provide a complete, functional and working system that is in compliance with all Federal, State and Local codes.

___ Yes ___ No

1. If any directive in this scope package conflicts with directives found in plans or specifications (E.G. "by CM" notes) or similar scope direction on plans or specifications, this scope shall govern.

___ Yes ___ No

2. This bid package is intended to be all inclusive of labor, material, and equipment required for the mass excavation / earthwork, stone base course, site storm sewer and sodding as required by the contract documents for a complete project.

___ Yes ___ No

3. Provide all site clearing as required.

___ Yes ___ No

4. Clear, grub and remove all vegetation and trees including any stump and root removal. All vegetation/waste material to be removed and lawfully disposed offsite.

___ Yes ___ No

5. Provide infill and compaction of all foundations and basements of demolished structures with approved fill to existing grade. Assume basement infill is 6-Ft deep and one half of the building footprint.

___ Yes ___ No

6. Strip and adequately stockpile acceptable topsoil. Stockpile location to be coordinated with Construction Manager prior to commencement.

___ Yes ___ No

7. Install Filter fabric, #57 stone as indicated on site logistics plan for parking and laydown area. See Site Logistics plan for size and location including area to be sodded in future contract, north of staging area. Remove and haul off filter fabric and stone at completion of project. Return to required grade with topsoil.

___ Yes ___ No

8. Contractor shall be cognizant and recognize that various utilities, mechanical, plumbing, high and low voltage electrical and communication services will be required to be maintained operational during construction of the project in this same area, and contractor shall include all protection, barriers, partitions, etc.; provide all pot holing, hand loading and removal of waste debris and import of new materials as required so as to maintain operation of all existing components to remain, during and until new construction is complete.

___ Yes ___ No

9. Remove and lawfully dispose all unsuitable and/or waste materials from site upon completion and at the direction of the Construction Manager.

___ Yes ___ No

10. Provide and maintain Stabilized Construction Entrance(s) as required by the contact documents and as located on the Site Logistics plan. Remove and lawfully dispose of all material when required for site finishing at the direction of the Construction Manager.

___ Yes ___ No

11. This Subcontractor shall provide, install, maintain and repair all erosion control measures as required by the erosion control plan or Authorities Having Jurisdiction (includes all silt fence, silt dike barriers, straw wattles, ditch liners, hay bales, inlet barriers, rock bags, rock dams, sedimentation traps, etc.). This Subcontractor shall be responsible for daily routine maintenance, inspecting, monitoring, and maintaining continuous erosion control measures during the performance of the Project. Inspections, reports, and maintenance shall occur daily or as conditions warrant until such time as proper vegetation is re-established or this Subcontract is complete. Additionally, provide all monitoring and reporting per jurisdictional "Storm Water Pollution Prevention Plan" requirements, in conformance with best practice, the jurisdictional entities, and as directed by CM during duration of this Subcontractor's work. SWPPP documents shall be kept in the Manhattan Designated Representative office.

___ Yes ___ No

12. Subcontractor shall include general cleanup of debris created by work scope, as directed. Trash shall be deposited in project dumpsters provided by others. All waste generated other than from general clean-up debris, shall be removed from site and legally disposed and not deposited into project dumpsters described above.
