Denali 4WD Standard Equipment

HIGHLIGHTS

- **Magnetic Ride Control**
 - Monitors each wheel independently during your drive, adjusting vertical suspension every millisecond to maintain a smooth ride
 - Enhanced ride and handling in a variety of road surface conditions
 - Uses electro-magnetism to change the damper fluid's properties (no moving valves)
 - Enhances traction and allows more precise steering
- **HD Surround Vision**
 - Uses multiple cameras to display a digital overhead image of the area around your vehicle along with Rear Vision Camera or front views¹
 - It works at low speeds and may help you park and avoid nearby objects
 - You can select additional views on your camera display
 - May require additional optional equipment

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **Bose® 14-speaker Surround with CenterPoint® audio system**
 - Bose® is renowned for expert sound engineering and high-quality audio and with speakers positioned throughout the cabin, you'll get rich, concert-like sound

- **15" diagonal multicolor Head-Up Display**
 - Projects vehicle information onto the windshield low in the driver's line of sight to help keep your eyes on the road
 - Can select key vehicle information to display
 - May require additional optional equipment
- **20" 6-spoke multi-dimensional polished aluminum wheels**
 - Paired with all-season blackwall tires
- **Power-sliding center console**
 - Overhead power switch allows center console to slide back up to 10" to place larger items between the front seats
 - When rearward, access to a hidden storage drawer can help keep smaller items secure
 - Includes manual sliding armrest
 - USB ports¹
 - May require additional optional equipment

¹ Not compatible with all devices.

Additional Features

- **GMC Pro Safety Plus**
 - Lane Change Alert with Side Blind Zone Alert¹
 - Lane Keep Assist with Lane Departure Warning¹
 - Rear Cross Traffic Alert¹
 - Automatic Emergency Braking¹
 - Forward Collision Alert¹
 - Rear Park Assist¹
 - Following Distance Indicator¹
 - Front Pedestrian Braking¹
 - IntelliBeam^{®1}

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle's owner's manual for important feature limitations and information.

- **6.2L V8 engine**
 - 420 hp @ 5600 rpm
 - 460 lb-ft of torque @ 4100 rpm
 - Dynamic Fuel Management technology
 - Aluminum block
 - Direct injection
 - Variable Valve Timing
 - Paired with a 10-speed automatic transmission
- **10-speed automatic transmission**
 - Electronically controlled with overdrive
 - Includes Traction Select System including tow/haul
- **3.23 rear axle ratio**
- **7,700 lbs. GVWR**
 - When properly equipped; includes weight of vehicle, passengers, cargo and equipment
- **Keyless Start**
 - Uses an integrated key fob sensor instead of a traditional key
 - Keep your keys in your purse or pocket to start your vehicle
 - With the vehicle in Park or Neutral, press the brake pedal and then press the engine start/stop button to start the engine; the green indicator on the button will illuminate
 - Shift to Park and press the engine start/stop button to turn off the engine
- **Automatic Stop/Start**
 - At complete stops, when drivers keep their foot on the brake pedal, and under certain conditions, the engine shuts off
 - When drivers remove their foot from the brake, the engine automatically restarts
 - Includes disable button with each engine cycle
- **Automatic Stop/Start disable button**
- **Engine air filtration monitor**
- **Fuel, gasoline, E15 (Standard with (L87) 6.2L EcoTec3 V8 Engine only.)**

- **Mechanical limited-slip rear differential**
 - When the differential senses a significant difference in wheel speed, it locks to turn both rear wheels in unison for added traction
 - Redistributes power to the drive wheels, providing you with more control
 - Helps your vehicle power through the tough terrain by keeping the rear wheels moving together
- **Electronic Precision Shift**
 - An advanced button and switch based transmission interface
- **Autotrac[®] 2-speed transfer case**
 - When in AUTO mode, remains in 2WD mode until the system detects wheel slippage
 - Automatically engages 4WD until traction is regained
 - Allows driver shift-on-the-fly capability from 2WD to 4WD at any speed
 - Provides a neutral position for dinghy/flat towing behind another vehicle
 - May require additional optional equipment
- **Heavy-duty 730 cold-cranking amps battery**
 - Maintenance-free with rundown protection and retained accessory power
- **220-amp alternator**
- **4-wheel drive**
- **Trailer equipment**
 - Trailer hitch platform
 - 2" trailer receiver
 - 7-wire electrical harness and 7-pin connector for connecting your trailer's lights and brakes to your vehicle
- **External auxiliary transmission oil cooler**
 - Heavy-duty air-to-oil cooler
 - Helps prevent transmission overheating
 - Helps provides optimal transmission performance even when operating under a heavy load or towing a trailer
- **External engine oil cooler**
 - Heavy-duty air-to-oil cooler
 - Helps the engine generate peak performance efficiently
 - Helps prevent possible engine oil breakdown during high-performance driving or under loads

- **Magnetic Ride Control**
 - Monitors each wheel independently during your drive, adjusting vertical suspension every millisecond to maintain a smooth ride
 - Enhanced ride and handling in a variety of road surface conditions
 - Uses electro-magnetism to change the damper fluid's properties (no moving valves)
 - Enhances traction and allows more precise steering
 - **Suspension, front coil-over-shock with stabilizer bar**
 - **Suspension, rear multi-link with coil springs**
 - **Steering, power**
 - **4-wheel antilock disc brakes**
 - Help reduce wheel lockup and maintain steering control during hard braking on most slippery surfaces
 - **Dual-outlet exhaust**
 - Dual system with dual twin polished stainless-steel tips
 - Standard with gas engines only
 - May require additional optional equipment
 - **Mechanical jack with tools**
-

ENTERTAINMENT

- **10.2" diagonal GMC Premium Infotainment System with Google built-in**
 - 10.2" diagonal GMC Premium Infotainment System with Google built-in, includes multi-touch display, AM/FM/SiriusXM¹ radio capable
 - Bluetooth^{®2} streaming audio for music and select phones
 - Wireless Apple CarPlay^{™3} capability for compatible phones³
 - Wireless Android Auto^{™4} capability for compatible phones⁴
 - Customize and manage entertainment and vehicle feature settings through the 10.2" diagonal touch-screen display
 - Use, control and manage select smartphone apps through the Infotainment system
 - Voice-activated technology for phone

¹ If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.

- **Wi-Fi® hotspot capable**
 - Terms and limitations apply. See onstar.com or dealer for details.
- **Front bucket seats**
- **Seat trim, Perforated Leather-appointed**
- **Memory settings**

- Recalls 2 driver presets for 8-way power driver seat, outside rearview mirrors and power and tilt and telescopic steering column
- Press memory button 1 or 2 to program and recall preferences
- May require additional optional equipment
- **Power-release second row bucket seats**
 - Include a power release that lets you conveniently fold and tumble the seats at the press of a button
 - May require additional optional equipment
- **Power 60/40 split-folding third row bench seat**
 - Split-folding feature allows each side to fold flat independently
 - Operate power from the overhead console or the cargo area
 - May require additional optional equipment
- **Heated driver and front passenger seats**
 - At the touch of a button you can warm the cushions and seatbacks with multilevel temperature control
 - Individually controlled
- **Heated and ventilated driver and front passenger seats**
 - Keep cool in summer and warm in winter with these heated and ventilated seat cushions and seatbacks
 - Separate buttons allow you to choose from 3 levels of warmth or cool
- **Heated second row outboard seats**
 - At the touch of a button you can warm the cushions and seatbacks
 - Provide comfort in cold weather for passengers in the second row outboard seating positions
 - Passengers have their own controls to set the perfect temperature
 - May require additional optional equipment
- **Safety Alert Seat**
 - Uses left, right, or both-side seat vibration pulses to help you identify the direction of potential crashes so you can quickly take action¹
 - You can also switch to beeping crash avoidance alerts

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **Power-sliding center console**

- Overhead power switch allows center console to slide back up to 10" to place larger items between the front seats
- When rearward, access to a hidden storage drawer can help keep smaller items secure
- Includes manual sliding armrest
- USB ports¹
- May require additional optional equipment

¹ Not compatible with all devices.

- **Carpeted floor mats**
 - Removable color-keyed floor mats for first and second rows
- **Carpeted floor covering**
 - Color-keyed
- **Bright sill plates**
 - Front and rear doors
- **Power tilt and telescoping steering column**
 - Allows the driver to adjust the steering wheel up or down, and the steering column forward or back
 - Use the driver memory to save and recall memory settings
 - Provides extra comfort when entering or exiting the vehicle
 - May require additional optional equipment
- **Steering column lock**
 - Beginning with start of production, vehicles will not be equipped with Steering Column Lock. See dealer for details or the window label for the features on a specific vehicle
 - Helps prevent theft by allowing the steering wheel to operate only with the proper key fob
- **Wrapped steering wheel**
- **Heated steering wheel**
 - Can turn on/off manually by pressing the button on the steering wheel
 - May require additional optional equipment
- **Steering-wheel mounted controls**
 - Allow the driver to easily operate the Driver Information Center, cruise control, Forward Collision Alert¹ following gap button and heated steering wheel (when equipped)

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle's owner's manual for important feature limitations and information.

- **12" diagonal color Driver Information Center**
 - Includes driver personalization, warning messages and vehicle information
 - Allows drivers to personalize vehicle features, including warning messages and vehicle information
- **Following Distance Indicator**
 - Displays the gap time in seconds between your vehicle and a detected vehicle you're following¹
 - This can help you decide if you're following much too closely

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **15" diagonal multicolor Head-Up Display**
 - Projects vehicle information onto the windshield low in the driver's line of sight to help keep your eyes on the road
 - Can select key vehicle information to display
 - May require additional optional equipment
- **Wireless Apple CarPlay/Wireless Android Auto capability for compatible phones**
 - Apple CarPlay vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. Apple CarPlay is a trademark of Apple Inc. Siri, iPhone and Apple Music are trademarks for Apple Inc, registered in the U.S. and other countries.
 - Vehicle user interface is a product of Google and its terms and privacy statements apply. To use Android Auto on your car display, you'll need an Android phone running Android 6 or higher, an active data plan, and the Android Auto app. Google, Android and Android Auto are trademarks of Google LLC.
- **Warning tones**
 - Include headlamp on, driver and right-front passenger seat belt unfasten and turn signal on
- **Power windows with driver express-up/down**
 - Quickly raises the window or lowers it with the touch of a button
 - If an obstruction is detected, the anti-pinch feature will auto-reverse
- **Power windows with front passenger express-down**
 - Quickly lowers the window with the touch of a button

-If an obstruction is detected, the anti-pinch feature will auto-reverse

- **Power windows with rear express-down**

- Quickly lowers the window with the touch of a button

- If an obstruction is detected, the anti-pinch feature will auto-reverse

- **Power door locks**

- Programmable

- Allows you to lock and unlock doors easily whether it's from the driver or front passenger seat or from outside using the key fob

- Lockout protection helps you avoid locking your key fob in the vehicle

- **Keyless Open**

- With the key fob in your possession, locks and unlocks your vehicle's doors without having to use the key fob, increasing convenience

- Lockout protection helps you avoid locking keys in the vehicle

- **Remote Start**

- Start your vehicle remotely and step into a comfortably warmed or cooled vehicle, depending on the weather and your preset preferences

- Locks doors and turns on parking lamps while the engine is running

- If equipped, the heated seats may also be activated, depending on certain weather conditions

- **Universal Home Remote**

- 3-channel programmable

- Conveniently activates compatible devices such as garage door openers, security systems, and home automation devices from inside your vehicle

- **Wireless Charging**

- Uses induction technology for portable electronic devices¹

- Convenient charging location within lower bin directly beneath the Infotainment screen

- Beginning October 31, 2022 through November 20, 2022, certain vehicles will not be equipped with Wireless Charging. Contact a dealer for details or check the window label for the features on a specific vehicle

¹ The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adapter/back cover. For a list of GM wireless charging-compatible mobile devices see my.gmc.com/learnAbout/wireless-charging. If your device is not on this list, please consult your carrier.

- **USB data ports**

–Includes 2 USB ports¹ (one type-A and one type-C) and located in the lower bin of instrument panel

¹ Not compatible with all devices.

- **USB ports for rear passengers**

–2 on the rear of the center console (both type C and charge only¹); change to charge and data when Rear Seat Media is ordered

–2 in third row (both type C and charge only¹)

¹ Not compatible with all devices.

- **Tri-zone automatic climate control**

–Automatically maintains the selected temperatures for the driver, front passenger and rear seat passengers

- **Rear air conditioning**

- **Rear window defogger**

–Helps to keep your rear view clear of fog or frost

–Utilizes a warming grid to help remove fog or frost from the rear window

- **Electrical theft-deterrent system**

–Helps deter unauthorized entry, helping to protect your vehicle and its contents

–Immobilizes the engine to help prevent theft

–Sounds the horn and flashes the turn signals when someone attempts to open the vehicle without the proper key or remote transmitter

- **120-volt power outlets**

–Two outlets, located in the rear of the center console and cargo area

- **12-volt power outlet**

–Located in the center stack of the instrument panel

- **Inside rearview auto-dimming mirror**

–Automatically dims the inside rearview mirror when it senses bright light from behind

–When headlamp glare is no longer detected, the mirror returns to its normal state

- **Driver and front passenger visors with illuminated mirrors**

–Include covered mirrors

- **Overhead assist handles**

–Driver and front passenger, located in headliner

- **Assist handles**

- Front passenger A-pillar and second row outboard B-pillar

- Deletes front passenger A-pillar assist handle on Denali

- **Interior lighting**

- Driver- and passenger-side door switch with delayed entry feature

- Dome light

- Map lights in front and second row seat positions

- Cargo light, door handle or Remote Keyless Entry-activated illuminated entry

- **GMC Connected Access capable**

- Subject to terms. See onstar.com or dealer for details.

- **3 years of GMC Connected Services (Includes from time of new vehicle purchase. Connected services vary by vehicle model and require active service plan, working electrical system, cell reception and GPS signal. Does not include emergency or security services. See onstar.com for details and limitations.)**
-

EXTERIOR

- **20" 6-spoke multi-dimensional polished aluminum wheels**

- Paired with all-season blackwall tires

- **20" all-season blackwall tires**

- P275/60R20

- May require additional optional equipment

- **17" full-size spare steel wheel**

- **Spare tire carrier**

- Lockable winch-type, located under frame in rear

- **17" all-season blackwall spare tire**

- P265/70R17

- **Bright roof-mounted side rails**

- Enhances the appearance of your vehicle

- **Upper active aero shutters**

- Shutters automatically close at high speeds to help enhance aerodynamics

-Shutters reopen at lower speeds or when needed to help cool the engine compartment

-Located in the front fascia

- **Satin chrome bodyside moldings**

- **Front fascia**

- **Black assist steps**

-Textured step pads help provide secure footing

-Extend from wheel well to wheel well

-Includes Gloss Black insert

- **LED headlamps**

-Provide a bright, intense beam of light to illuminate the road ahead

-Help improve down-the-road visibility in low-light conditions

- **LED fog lamps**

-Help minimize glare in adverse driving conditions

- **LED tail lamps**

-Help improve visibility in low-light conditions

- **Body-color heated, driver-side auto-dimming power outside mirrors**

-Both mirrors are heated and are activated when the rear defogger is engaged, helping to clear them of ice, snow and frost to help improve visibility

-Power adjustments allow you to move both side mirrors with the touch of a button

-Power-folding feature lets you fold the mirrors in

-The auto-dimming feature automatically adjusts the outside mirror when it senses bright light from behind

-May require additional optional equipment

- **Body-color mirror caps**

- **Acoustic laminated glass**

-Helps keep out traffic and road noises

-Dampens sounds from the outside to help give you a quiet ride

- **Glass, windshield shade band**

- **Deep-tinted glass**

-Tint on rear side windows and rear liftgate window

- **Glass, driver and front passenger laminated front door window**
 - **Rainsense automatic wipers**
 - Turn on automatically when sensors detect varying degrees of precipitation on the windshield
 - The intermittent feature adjusts the speed of the wipers to help keep the windshield clear in a variety of conditions
 - **Rear intermittent wiper**
 - Variable-speed
 - Keeps your rear window clear to help enhance visibility
 - **Hands-Free power liftgate with emblem projection**
 - Opens liftgate when the system senses the key fob and the driver places their foot under the rear bumper
 - Memory height function allows you to program how high the gate opens to suit you
 - You can also press the liftgate open button on the key fob or use the exterior release button
 - **Chrome door handles with body-color strip**
-

SAFETY

- **Enhanced Automatic Emergency Braking**
 - Works with Forward Collision Alert to help you avoid a front-end collision with a detected vehicle you're following¹
 - Radar and camera technology are used to automatically provide hard emergency braking or enhance the driver's hard braking
 - This feature works at speeds above 2 mph
 - May require additional optional equipment

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **Hill Start Assist**
 - When you are stopped on an incline, this feature keeps the brakes engaged for a split second as you transition from brake pedal to gas pedal
 - Automatically releases once you press down on the accelerator

- Prevent vehicle roll-back while the driver moves his/her foot from the brake to the accelerator pedal
- **Hill Descent Control**
 - Uses antilock braking to help provide a smooth, controlled descent
 - Helps driver maintain control of the vehicle without depressing the brake pedal
 - Activates by pushing a button on the switch bank to the left of the steering wheel
- **StabiliTrak, electronic stability control system with traction control**
 - Automatically helps enhance control, particularly during emergency maneuvers, by adjusting the brakes and engine torque to help you stay on your, intended path
 - Activates when vehicle sensors detect a difference between the driver's intended path and the direction the vehicle is actually travelling
 - Includes Traction Control that detects wheel slippage and applies brake pressure and/or reduces engine power to help the driver maintain control when accelerating on wet or snow-covered roads
 - Includes Brake Assist that senses how hard and fast a driver hits the brake pedal and gives extra braking assistance, if required
- **Trailer sway control**
 - Helps prevent trailer sway by monitoring driver steering input and then automatically applying the trailer brakes
- **IntelliBeam**
 - Can automatically turn the vehicle's high-beam headlamps on and off according to surrounding traffic conditions
- **LED Daytime Running Lamps**
 - Illuminate when your vehicle is running and headlamps are off
 - Include automatic exterior lamp control
- **7 airbags (requires front bucket seats)**
 - Frontal airbags for driver and front outboard passenger¹
 - Seat-mounted side-impact airbags for driver and front outboard passenger¹
 - Driver inboard seat-mounted side-impact airbag¹ (requires bucket seats)
 - Head-curtain airbags for front and rear outboard seating positions¹
 - Includes front outboard Passenger Sensing System for frontal passenger airbag and illuminates a status light that indicates whether the airbag is on or off¹

¹ Always use seat belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.

- **Front outboard Passenger Sensing System for frontal outboard passenger airbag (Always use seat belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.)**
- **Rear Seat Reminder**
 - Helps to remind the driver to check the back seat(s) before leaving the vehicle¹
 - Activates when rear doors are opened and closed up to 10 minutes before or anytime while your vehicle is on
 - Under certain conditions, once the vehicle is switched off, designed to sound 5 audible chimes and display a visual message within the Driver Information Center
 - Activates only once each time the vehicle is turned on and off, and would require re-activation on a second trip

¹ Does not detect people or items. Always check rear seat before exiting.

- **OnStar[®] & GMC Connected Services capable**
 - Terms and limitations apply. See onstar.com or dealer for details.
- **3 years of OnStar[®] and Connected Services Plan**
 - Receive 3 years of the OnStar and Connected Services Premium Plan, including the Connected Vehicle Plan¹ and the OnStar Safety & Security Plan²
 - Connected Vehicle Plan includes connectivity for available In-Vehicle apps, Remote Access Plan and In-Vehicle Wi-Fi Hotspot data
 - OnStar Safety & Security Plan includes access to the OnStar Guardian App³, Automatic Crash Response, Emergency Services, Crisis Assist, Roadside Assistance, and Stolen Vehicle Assistance

¹ Connected Vehicle Plan does not include emergency or security services. Service varies with conditions and location. Data plans provided by AT&T. See onstar.com for details and limitations.

² OnStar plan, working electrical system, cell reception and GPS signal required. OnStar links to emergency services. See onstar.com for details and limitations. Automatic Crash Response: not all vehicles may transmit all crash data. Roadside services provided by Allstate Roadside Service for vehicles only. Limitations and restrictions apply. Stolen Vehicle Assistance requires armed GM factory-installed theft-deterrent system, contact method on file and enrollment to receive alerts. Additional messaging and data rates may apply. Services are intended to assist with vehicle recovery and do not prevent theft or protect against damage or loss.

³ U.S. and Canada only. Available on select Apple and Android devices. Mobile Crash Response services are intended for use in vehicles only and can connect automatically on Android devices only. Service coverage varies with conditions and location. Service availability, features and functionality vary by device and software version. Device permissions are required for app to operate properly. OnStar links to emergency services. Device and app may not transmit all crash data. See onstar.com for details and limitations.

- **LATCH System**
 - Lower Anchors and Tethers for Children system helps make it easy to install and secure a compatible child restraint seat

- **Front Pedestrian Braking**

- Can help you avoid or reduce the severity of a front-end collision with a pedestrian it detects directly ahead of you¹
- It provides pedestrian alerts and can even automatically provide hard emergency braking or enhance the driver's hard braking
- The system works at speeds below 50 mph during the daytime
- It has limited nighttime and low visibility performance

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **Front and Rear Park Assist**

- Can provide alerts to nearby detected objects in front of or behind your vehicle to help you park and avoid collisions at low speeds¹

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **Rear Cross Traffic Alert**

- Can warn you of detected left or right cross traffic behind your vehicle when you're in Reverse¹
- May require additional optional equipment

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **Forward Collision Alert**

- Can warn you if it detects a potential front-end collision with a vehicle you're following so you can quickly take action¹
- It can also provide a tailgating alert if you're following a vehicle much too closely

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **Lane Keep Assist with Lane Departure Warning**

- Uses a brief, gentle steering wheel turn to alert you when you may be unintentionally drifting out of detected lane lines, so you can steer to stay safely in your lane¹

- If needed, you may receive additional Lane Departure Warning alerts
- System alerts do not occur if you're using your turn signal or it detects you may be intentionally leaving your lane

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **Rear Pedestrian Alert**

- Can help alert you to detected pedestrians directly behind your vehicle so you can quickly take action¹
- The system works when you're in Reverse during the daytime
- It has limited nighttime and low visibility performance
- May require additional optional equipment

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **HD Surround Vision**

- Uses multiple cameras to display a digital overhead image of the area around your vehicle along with Rear Vision Camera or front views¹
- It works at low speeds and may help you park and avoid nearby objects
- You can select additional views on your camera display
- May require additional optional equipment

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **Hitch Guidance**

- Uses the Rear Vision Camera display to provide you with a guideline to help align your vehicle with a trailer¹
- Provides a camera view to briefly check the trailer when driving

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **Lane Change Alert with Side Blind Zone Alert**

- Can provide side-mirror visual alerts when a detected moving vehicle is quickly approaching or is in your side blind zone¹
- It can help you avoid lane change collisions

–May require additional optional equipment

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance.
