

Q & A 02.01.2023

Do you have a total construction budget for this project? Our fees are generally based on the construction budget.

There is not a current construction budget. The target size for the childcare facility is 40,000 SF

Are we to include a Civil Engineer as well as Landscape in our list of consultants?

At this time, we are requesting a master plan and feasibility study. Please include resources necessary.
