ADDENDUM #1

QUESTIONS FOR ACTIVE DIRECTORY ANALYSIS

1. What is the budget range for this project? **That cannot be provided since we are requesting proposals for this project.**
2. Our HQ is in San Diego, California but our development and support center in Monterrey, Mexico. Is this an issue? **We do not accept bids from outside of the United States.**
3. We don't have a TERO Certification, do we need to apply for one? Or can we solicit one? **If you meet TERO requirements you may apply for certification.**
4. I assume all work is to be done remotely, right? **It can be done remotely or on site.**
5. Did the Cherokee Nation work with a vendor to put together the RFP? **No, we used information available from Microsoft.**
6. Will other entities which are currently separate be added into scope for this project down the line? **No.**
