Decreases in the Contract amount shall not, however, reduce the Bond's penal amount unless specifically provided in said Change Order.

The Surety hereby waives notice of any change, including changes of time, to the Construction Contract or to related subcontracts, purchase orders, and other obligations.

- (C) Maintenance Bond. If required per the Statement of Work or Contract Agreement, the successful Bidder may be required to obtain and provide to Company a Maintenance Bond guaranteeing Company, that the Bidder will solve all maintenance issues during the specified maintenance period, which is usually one (1) year from final acceptance of successful Bidder's work. The maintenance period could be longer depending upon the terms of the Contract Agreement.

Additional bonding requirements may be identified by the Company in the Statement of Work or Contract Agreement.
