

Bench Glider

Tan

Quantity 13

The spacious Bench Glider is perfect for sharing a story with a toddler. The easy to clean polyurethane fabric complies with CAL-TB 117. Contains no added flame retardants. Moving parts are shielded with a wooden base and fabric apron. Choose from Blue or Neutral fabric.

Rectangular Classroom Table

30" x 48"

Quantity 4

Whether you need a table for a group of children or just one or two. This solid heavy-weight table with easy to clean surface supports daily classroom activities such as mealtimes, art, or science. 1 1/8" top is laminated on both sides with heat sealed edges to prevent warping. Choose from adjustable (tool-free) or solid legs

Mealtime Chair 8"

Quantity 4

This solid wood chair with removable seat insert provides supportive, comfortable seating so children can concentrate on the task at hand. Choose from three different seat heights allowing children to sit with their feet flat on the floor.

Childshape Chair 8"

Quantity 12

Beginning sitters need the extra support of armrests to encourage good seating posture. Choose from 4 sizes to suit your needs. The 6" version allows even the smallest toddlers to have their feet on the floor, while the 12" chair gives additional support to older children.

Teacher's Low Chair Quantity 28

Especially designed for the caregiver, this sturdy chair provides enough seat depth, width, and back support for the average adult. Seats teachers low enough to interact with young children at their level. Lightweight yet strong the convenient handhold makes it easy to move around the room.

Nursery Gym 1 with slide Quantity 2

It's play time for toddlers. The carpeted platforms, safety railings, and removable gates make a safe environment for active play. The clear banisters on the stair allow for excellent supervision and the narrow slide prevents toddlers from getting turned sideways. Two configurations possible.

BackSafe crib

Quantity 30

Safe for baby. Safe for you. The unique telescoping dowels of this crib's side allow you to comfortably transfer and care for the children in your care. The clear ends provide easy visibility. Adjustable mattress heights provide safe accommodation for both newborns or toddlers.

Backsafe Evacuation Crib

Quantity 6

When you need to move fast, here's your dependable friend. The sturdy frame of this crib holds several children easily and the large casters make navigating rough terrain a cinch. The Unique telescoping dowels slide together to lower the rail 6 inches, using a one-hand childproof latch.

Community Glider Tan/Neutral Quantity 2

Safe and durable, the rocking feature is completely enclosed making the Community Glider pinch-free. Easy to clean polyurethane fabric complies with CAL-TB 117. Contains no added flame retardants. Choose from Blue or Neutral fabric.

Child's Sofa Neutral Quantity 2

Here's a soft, inviting space to provide quiet security, and the feel of home—time out in a busy day. The sturdy hardwood frame is strong enough to hold a teacher. The removable cushions are reversible for years of wear. Choose from Blue or Neutral.

Child's Armchair neutral

Quantity 2

Here's a soft, inviting space to provide quiet security, and the feel of home—time out in a busy day. The sturdy hardwood frame is strong enough to hold a teacher. The removable cushions are reversible for years of wear. Choose from Blue or Neutral.

Coathook Strip 2 ft

Quantity 2

A simple hook for jackets or paint aprons, this solid maple strip with plastic hooks comes fully assembled ready to mount on your wall. Plastic sleeves for children's names attach with sturdy adhesive right where you want them. Choose from 24" or 48" length.

Seatbelt Quantity 30

Choose from three different seat heights allowing children to sit with their feet flat on the floor. Remove and store tray to use the Mealtime Chair right at the table...

Outlast Double Water Play Combo

Quantity 1

Fully weatherproof construction makes this the perfect outdoor sensory table. The recessed tub has a large drain to make clean up easy. Crate below the table keeps loose parts close at hand. The flow pan adds a second layer for experimentation with water flow. Choose from two age-appropriate heights.

KinderVan Daycare Stroller

Quantity 2

This daycare stroller's large puncture-proof wheels handle grass, gravel, and curbs with ease. Padded seats rotate 360° for easy supervision and recline to give infants a comfortable and safe ride. Optional canopies for sun protection can be added or removed tool-free. Choose from 4 or 6 seats.

Cover for KinderVan/6

Quantity 2

Store your Kindervan under this polyester Cover when not in use to protect against dust and sun-bleaching.

Crib Sheet White Quantity 64

For use with all Community Playthings Cribs.

Square Classroom Table 28" adjustable Quantity 6

Use as a small table for a group of four or add to a larger Classroom Table for just a bit more room. This solid heavy-weight table with easy to clean surface supports daily classroom activities such as mealtimes, art, or science. 1 1/8" top is laminated on both sides with heat sealed edges to prevent warping. Choose from adjustable (tool-free) or solid legs.

Quarter Circle Classroom Table 13-17"

Quantity 2

Wider than the half circle table, this table can be used singly or in multiple units, combine with our rectangle tables to form a horseshoe shape. The Easy to clean table top is laminated on both sides with heat sealed edges to prevent warping. Choose from three sizes of adjustable legs, which adjust tool-free in one inch increments.

Me-do-it Chair

6.5"

Quantity 16

These chairs live up to their name, supporting a toddler's need for independence. Toddlers delight in getting in and out of, carrying, and pushing these durable wooden chairs. Use a 5" chair for a child 6-18 months, use the 6 ½" chair for children 12-27 months.

Rectangular Classroom Table 30" x 60" Quantity 2

Whether you need a table for a group of children or just one or two. This solid heavy-weight table with easy to clean surface supports daily classroom activities such as mealtimes, art, or science. 1 1/8" top is laminated on both sides with heat sealed edges to prevent warping. Choose from adjustable (tool-free) or solid legs

Multi-purpose Easel Quantity 2

Who said the easel has to stay in the art area? This lightweight, multi-purpose easel can be used as a big book stand, message board, dry erase board, or a place to play with magnetic shapes.

Starter Scooter

Quantity 4

The Starter Scooter is so stable, it stands by itself. Three wheels and a low center of gravity give young riders a chance to learn balancing skills. The rugged frame of one inch steel tubing will keep this scooter rolling for a long time. And it comes ready to roll right out of the box.

Roadstar Tricycle

12.5" Quantity 2

Designed to last for years. This popular trike has a sturdy frame of one inch steel tubing, pinch free joints, and a unique over-steering protection. Just remember: there are limits to sharing; get enough to go around! Available in standard (14" seat height) and low (12.5" seat height).

Roadstar Tricycle

14" Quantity 2

Designed to last for years. This popular trike has a sturdy frame of one inch steel tubing, pinch free joints, and a unique over-steering protection. Just remember: there are limits to sharing; get enough to go around! Available in standard (14" seat height) and low (12.5" seat height).

Nursery Gym 3**QTY 2**

What could be better than a stair, ramp and slide? A tunnel! Crawl right in and join the fun. The clear banisters provide excellent supervision and the narrow slide prevents toddlers from getting turned sideways. Close off the gym with removable gates when not in use. Two configurations possible. Tunnel comes in red or tan.

**Kindergarten Cubby 4****QTY 4**

The full width dividers of these cubbies have plastic hooks on both sides. No-mess label changing, and built in mail-slot will help keep your entry tidy. Optional deep totes or baskets slide into the bottom spaces. Constructed out of solid alder wood, this unit will give you decades of service.
